

## **R. Charles Murray**

### **CEO – PPI Technologies Group**

Charles Murray is a senior member of the packaging industry with over thirty years of experience managing packaging companies. Mr. Murray holds a BS in Chemistry and a MBA in Marketing. He is also a Fellow of the British Bottlers Institute and a Member of the Institute of Packaging.

Mr. Murray holds more than thirty packaging and process patents, several of which have been licensed.

Mr. Murray's career began with South African Breweries where he held a variety of senior positions. In 1987, the Murray family immigrated to the US and joined a small Chicago packaging company. In 1990 he joined Klöckner Packaging Machinery as VP Marketing and Sales in Sarasota. With the reorganization of Klöckner, he founded in 1995, with his family, ***PPI Technologies GROUP***, a supplier of StandUp pouch and tray machines used to package food, drinks, drugs, household products and chemicals. In 2008 he started Redi-2-DrinQ Group for packing beverages into pouches.
