From the Chief of Police

The Campus Police Department is a certified Law Enforcement Agency regulated by the Florida Department of Law Enforcement and Florida State Statute. We provide a full complement of police services to the University of South Florida Sarasota-Manatee and New College of Florida as a shared service.

The Campus Police Department enjoys a strong relationship with campus offices, student government, and community law enforcement partners. Our officers are a visible presence on campus and provide a wide range of police services beyond those of traditional law enforcement agencies.

The goal of our department is to work with the community to provide a safe and secure environment that allows students to achieve their academic goals and enjoy the college experience. This means offering a variety of crime prevention efforts, ensuring vehicular and pedestrian traffic safety, assisting in special events coordination, and providing reliable, high-quality law enforcement service at all times. Please take a moment to review the resources available on our website (http://usfsm.edu/campus-police), including, but not limited to, our Annual Security Reports prepared in accordance with the Clery Act and the Violence Against Women Act; Crime Prevention programs; and more.

Safety is everyone’s responsibility. We encourage you to contact Campus Police, whether it be to report a crime, request training, or make suggestions as to how we can work together to make our institution a safer place to work and learn. I encourage you to use this guide to keep you and the entire community safe. Welcome to USF Sarasota-Manatee.

Sincerely,

Chief Michael Kessie

Choosing a postsecondary institution is a major decision for students and their families. Along with academic, financial, and geographic considerations, the issue of campus safety is a vital concern. In 1990, Congress enacted the Crime Awareness and Campus Security Act of 1990 (Title II of Public law 101-542), which amended the Higher Education Act of 1965 (HEA). This act required all postsecondary institutions participating in HEA’s Title IV student financial assistance programs to disclose campus crime statistics and security information. This act was amended in 1992, 1998, and 2000. The 1998 amendments renamed the law the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act in memory of a student who was slain in her dorm room in 1986. It is generally referred to as the Clery Act.

In 2008, the Higher Education Opportunity Act or HEOA (Public law 110-35) reauthorized and expanded the Higher Education Act of 1965, as amended. HEOA amended the requirements of the Clery Act and created additional safety- and security-related requirements for educational institutions such as ours.

In 1994, the Violence Against Women Act of 1994 or VAWA (Public Law 103-322) was the first major federal law to help government agencies and victim advocates work together to fight domestic violence, sexual assault, and other types of violence against women. The VAWA created new punishments for certain crimes and started programs to prevent violence and help victims. The reauthorization of the VAWA in 2013 amended the Clery Act to afford additional rights to campus victims of sexual assault, domestic violence, dating violence, and stalking. These amendments to the Clery Act went into effect July 1, 2015.

Compliance with these federal laws is not a once-a-year event. Many requirements must be satisfied before an institution can be considered in full compliance. Some requirements are ongoing, such as crime information collecting, campus alerts and crime log updating, while other requirements are less frequent, such as this report and the online survey our institution submits to the Department of Education by October 1st each year.
Campus Law Enforcement

The University of South Florida Sarasota-Manatee Campus Police Department ("campus police") are sworn law enforcement officers of the State of Florida and have the power to arrest, in accordance with the laws of this state on campus or within 1000 feet of any property controlled by the university. Our CPD has an excellent working relationship with all federal, state, and local law enforcement agencies, which assures the delivery of professional police services. The department has combined voluntary cooperation and operational mutual aid agreements with all Manatee and Sarasota County law enforcement agencies as well as all state university police departments. All agencies are available to assist upon request. The agencies include, but are not limited to, the following:

- Sarasota Sheriff’s Office
- Manatee Sheriff’s Office
- Florida Department of Law Enforcement
- Sarasota-Bradenton International Airport Police Authority
- Bradenton Police Department, and Sarasota Police Department.

These agreements request the voluntary assistance of others in matters of routine law enforcement that do or may cross jurisdictional lines, including but not limited to, the continuation of investigations, the development of intelligence, the collection of evidence of past, present or future criminal activity, or apprehension of persons suspected of criminal activity.

Crime Statistics Preparation and Annual Reporting

Each institution within the USF System has a police department responsible for submitting semi-annual Uniform Crime Report (UCR) data to the Florida Department of Law Enforcement (FDLE) for locations under their jurisdiction. See APPENDIX A for a map of the jurisdiction of the police department for each campus. The FDLE forwards this information to the Federal Bureau of Investigation (FBI) for publication in the FBI’s Uniform Crime Report (UCR).

In addition to this reporting, each institution’s police department, through their Clery Coordinator, reports a subset of these crimes as required under the Clery Act and VAWA. These Clery-VAWA crimes and incidents are reported by the institution’s Clery Coordinator by October 1st each year to the Department of Education and they are included in this annual security report. Each institution’s police department has a Clery Coordinator who is a law enforcement officer specially trained in classifying and compiling annual crime statistics under Clery and VAWA. Below is contact information for each institution’s Clery Coordinator within the USF System:

Our Clery Coordinators receive reports of crimes and incidents from students, employees, the community, Campus Security Authorities (CSAs), and external law enforcement agencies. We will explore the latter two sources of Clery-VAWA reporting (i.e., CSAs and external law enforcement agencies), further below. However, first we will discuss how our Clery Coordinators compile our annual crime statistics for reporting pursuant to Clery and VAWA. Then we will discuss what constitutes a “Clery-VAWA crime and incident” and what is meant by “Clery Geography.”

Annual Crime Statistics Compilation

Clery Coordinators are responsible for determining on behalf of our institution whether or not the information being reported to them constitutes a Clery-VAWA crime or incident. This determination is based on the information available to them at the time their determination is made; their training and experiences as a law enforcement officer; and the specialized training they have received for classifying Clery-VAWA crimes or incidents. When a crime or incident is so determined to be both a Clery-VAWA crime or incident and, said crime or incident, occurred on our Clery geography, then it is included in our annual crime statistics. The Clery Act does not require crimes to be reported anonymously. It prohibits personally identifiable information from being included in our institution’s disclosure of crime statistics.
Crime reports made to our Clery Coordinators or our CSAs may include personally identifiable information to aid in crime investigation. However, the Clery Coordinator must omit this information from the annual security report and the web-based data collection. Also, the Clery Coordinator will not identify the victim or the person accused of committing the crime when disclosing the number of reported crimes as part of our annual crime statistics.

Clery-VAWA Crime or Incident

Clery-VAWA crimes and incidents are organized into three categories: criminal offenses, hate crimes, and arrests and referrals for disciplinary action. These include the following:

Criminal Offenses

We report the following criminal offenses as part of our annual crime statistics under the Clery Act and VAWA:

- Murder and Non-negligent Manslaughter
- Negligent Manslaughter
- Sex Offenses (Rape, Fondling, Incest, or Statutory Rape)
- Domestic Violence
- Dating Violence
- Stalking
- Robbery
- Aggravated Assault
- Burglary
- Motor Vehicle Theft
- Arson

Hate Crimes

We report hate crimes for all of the above-listed criminal offenses as well as the following additional criminal offenses as part of our annual crime statistics under Clery and VAWA:

- Larceny-Theft
- Simple Assault
- Intimidation
- Destruction/Damage/Vandalism of Property

A hate crime is a criminal offense committed against a person or property which is motivated, in whole or in part, by the offender’s bias. Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, religion, disability, sexual orientation, or ethnicity/national origin. Although there are many possible categories of bias, Clery and VAWA limit these categories for the purposes of annual crime statistic reporting to the following seven categories: race, gender, religion, sexual orientation, ethnicity, national origin, and disability.

Arrests and Disciplinary Referrals for Violation of Weapons, Drug, and Liquor Laws

We report the number of arrests and the number of persons referred for disciplinary action for the below-listed violations of law as part of our annual crime statistics under the Clery Act and VAWA:

- Weapons Law Violations
- Drug Abuse Law Violations
- Liquor Law Violations

Definitions of these crimes and incidents under the Clery Act, VAWA, State of Florida Law, and the FBI’s UCR, are provided in APPENDIX B.

Clery Geography

Each institution within the USF System discloses statistics for reported Clery-VAWA crimes that occur in the following locations:

- On-Campus
- On-Campus Residential (a subset of On-Campus)
- Non-Campus buildings or property that our institution owns or controls
- Public Property within or immediately adjacent to the campus

The definitions for these geographic categories are Clery Act-specific and are the same for every institution within the USF System regardless of its physical size or configuration. These definitions are provided in APPENDIX B. Maps of the Clery Geography for each institution within the USF System are provided in APPENDIX C.

Campus Security Authorities

“Campus Security Authority” is a Clery-specific term that encompasses four groups of individuals and organizations associated with our institution who must report Clery-VAWA crimes and incidents to our institution’s Clery Coordinator. These groups of individuals and organizations include the following:

1) A campus police department or a campus security department of an institution, e.g., University Police.

2) Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department, e.g., an individual who is responsible for monitoring the entrance into institutional property. This includes individuals who provide security at a campus parking kiosk, monitor access into a campus facility, or act as event security or escort students around campus after dark.

3) Any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.

4) An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An “official” in this context is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.

Examples of individuals who meet the criteria for being Campus Security Authorities include, but are not limited to, the following:

- A dean of students who oversees student housing, a student center, or student extracurricular activities.
- A director of athletics, a team coach, or a faculty advisor

*If a reported Clery Crime is investigated by law enforcement authorities and found to be false or baseless, the crime is “unfounded” and is not included in our institution’s above crime statistics. Only sworn or commissioned law enforcement personnel may “unfound” a crime pursuant to the U.S. Department of Education, Office of Postsecondary Education, The Handbook for Campus Safety and Security Reporting, 2016 Edition, Washington, D.C., 2016, pg 3-51.
to a student group.
• A student resident advisor or assistant or a student who monitors access to dormitories.
• A coordinator of Greek affairs.

Examples of individuals who would not meet the criteria for being Campus Security Authorities include, but are not limited to, the following:

• A faculty member who does not have any responsibility for student and campus activity beyond the classroom.
• Clerical or cafeteria staff.

Exemption for Pastoral and Professional Counselors

There are two types of individuals who, although they have significant responsibility for student and campus activities, are not considered Campus Security Authorities under the Clery Act:

• Pastoral counselor: A person who is associated with a religious order or denomination, is recognized by that religious order or denomination as someone who provides confidential counseling, and is functioning within the scope of that recognition as a pastoral counselor.
• Professional counselor: A person whose official responsibilities include providing mental health counseling to members of the institution’s community and who is functioning within the scope of his or her license or certification. This definition applies even to professional counselors who are not employees of the institution, but are under contract to provide counseling at the institution.

The pastoral or professional counselor exemption is intended to ensure that these individuals can provide appropriate counseling services without an obligation to report crimes they may have learned about. This is similar to the privilege provided under certain circumstances to doctors, counselors, and attorneys when they may learn of crimes from patients or clients. This exemption is intended to protect the counselor-client role. However, even these legally-recognized privileges acknowledge some exemptions, and there may be situations in which counselors are in fact under a legal obligation to report a crime.

What Campus Security Authorities Do

The function of a Campus Security Authority (CSA) is to report to our institution’s Clery Coordinator allegations of Clery-VAWA crimes and incidents on our Clery Geography that he or she concludes were made in good faith. Obviously in the event of an emergency, Campus Security Authorities should contact 9-1-1 first.

What Campus Security Authorities Should NOT Do

CSAs are not responsible for determining authoritatively whether a crime took place—that is the function of law enforcement personnel. CSAs should not try to apprehend the alleged perpetrator of the crime. That, too, is the responsibility of law enforcement. It’s also not a CSA’s responsibility to try and convince a victim to contact law enforcement if the victim chooses not to do so.

CSAs play a vital role in the timely and accurate reporting of certain crimes and incidents for each separately-accredited institution within the USF System. To access more information about what might make you a CSA, training resources, and more CSA-centric information, consult the following webpage dedicated to USF System resources:

---

How to Report Crimes or Other Emergencies on Campus

All members of the USF System community are encouraged to promptly report known or suspected crimes to campus police or the external law enforcement agency with jurisdiction. Any emergency involving a threat to life or property should be immediately reported by calling 9-1-1. All campus phones may be used to dial 9-1-1 at no charge. The caller should stay on the line until the dispatcher terminates the call. Do not hang up. Campus police responds to all emergency situations involving our campus, regardless of whether the situation requires police, fire, or medical assistance.

We have Emergency Blue Light Phones located throughout campus, which are equipped with location indicators. Consult APPENDIX D for a map of emergency blue light phone locations at each institution within the USF System.

In response to reports of criminal activity, potential emergencies, or dangerous situations on campus, the Campus Police Department (CPD) will take the required action by either dispatching an officer, or asking the caller to report to the CPD office to file an incident report. Incidents should be reported even when the victim of a crime elects to or is unable (physically/mentally) to make such a report. CPD officers will investigate a report when it is deemed appropriate. Reporting incidents to the CPD is important to facilitate timely determination of the existence of a significant emergency or dangerous situation and assess for timely warning notices to aid in the prevention of similar crimes. It also allows criminal offense information to be appropriately included in our annual disclosure of crime statistics.

All other police business (crimes not in progress, suspicious persons, questions, etc.) may be directed to the CPD at (941) 487-4210 or by visiting their main office located at 5800 Bay Shore Road, Sarasota, FL 34243.
**Mandatory Reporters of Clery-VAWA Crimes or Incidents**

While all members of the USF System are strongly encouraged to report crimes to the police, certain USF System employees are **required** to report Clery-VAWA crimes and incidents because, under the Clery Act and VAWA, they are Campus Security Authorities (CSAs). Employees who are not sure whether or not they are a CSA should contact their institution’s Clery Coordinator. Their contact information is provided above. It can also be accessed online at the following address: [http://www.usf.edu/administrative-services/university-police/your-safety/campus-security-authority.aspx](http://www.usf.edu/administrative-services/university-police/your-safety/campus-security-authority.aspx).

In emergency situations, CSAs should always call **9-1-1**. In non-emergency situations or once an emergency situation has been de-escalated, CSAs must report Clery-VAWA crimes or incidents which occur on our Clery Geography using the CSA report form, available online as follows:

Reports of Clery crimes and incidents to the Clery Coordinator do not need to contain names of those involved; only a description of the situation and location of the incident. If you are unsure of which form to use or which Clery Coordinator to contact, just report it on the form you have. Our Clery Coordinators will sort it out. The important thing to remember is to report a Clery-VAWA crime or incident to the Clery Coordinator as soon as possible.

**MoBull Messenger**

MoBull Messenger is part of USF System’s Emergency Notification System (ENS). It was established to notify our community in the event of a campus emergency. It allows USF System students and employees to receive emergency updates via text message. All official USF emergency notifications are sent out through MoBull.

Faculty, staff, and students are urged to sign up. USF strongly recommends all USF System students and employees subscribe for this important service.

To register for MoBull or to update your contact information follow these instructions:

1. Login to the NetID Account Services website via [https://netid.usf.edu/una](https://netid.usf.edu/una) using your NetID.
2. Click **Update Emergency Notification Settings**.
3. Follow instructions to opt in, provide mobile phone number, and select campus locations for alerts.
4. Click **Submit**.

**Protecting the Confidentiality of Victims**

The USF System will protect the confidentiality of victims and other necessary parties—complete publicly available recordkeeping and, for the purposes of Clery Act reporting and disclosure, without the inclusion of identifying information about the victim pursuant to the Clery Act under VAWA, and other applicable federal and State of Florida laws.

The USF System will maintain as confidential any accommodations or protective measures provided to the victim, to the extent that maintaining such confidentiality would not impair the ability of our institution to provide the accommodations or protective measures.

**Prohibition on Retaliation**

The USF System encourages an atmosphere of open dialogue and expression, including the promotion of good faith filing of a grievance, complaint, or report by employees and students of violations of law, rule, regulation, policy, or other misconduct.

In support of an environment of open communication within the USF System community, the USF System will not tolerate retaliation, retribution, or reprisals against an employee or student who submitted such a good faith filing. Employees and students who learn of retaliation should report it immediately. For more information on the USF System prohibition on retaliation, retribution, or reprisals, consult USF System Policy 0-020, available online at [http://regulationspolicies.usf.edu/policies-and-procedures/pdfs/policy-0-020.pdf](http://regulationspolicies.usf.edu/policies-and-procedures/pdfs/policy-0-020.pdf).

1The term “accommodation” used within the context of the Clery Act and the VAWA (Clery/VAWA) is reasonably understood to mean temporary supportive services or interim measures for victims of sexual assault, dating violence, domestic violence, and stalking occurring within our Clery Geography. When this term is used within the context of the Americans with Disabilities Act (ADA), its meaning differs from the use of this term under Clery/VAWA. Under the ADA, this term refers to reasonable, permanent accommodations for those who have a qualifying disability under the ADA. For more information concerning ADA-related accommodations, contact Student Disability Services. More information concerning the Clery/VAWA-related accommodations is provided in this report.
How to Report Retaliation

An employee or student who believes retaliation may have been taken against them as a result of filing a grievance, complaint, or report of violations of law, rule, regulation, policy or other misconduct, should immediately report the retaliation to their next level supervisor, if feasible, otherwise, reports of retaliation should be made as follows:

- **Sexual Harassment or Discrimination**
  - Office of Diversity, Inclusion & Equal Opportunity

- **Response to filing or a grievance**
  - Employee Relations within Human Resources

- **Perpetrator is faculty or student**
  - Office of the Provost

- **Other (or you’re just not sure which unit)**
  - University Audit & Compliance

An appropriate and timely review and response will be provided to an employee or student who alleges retaliation, consistent with USF System policy, rules, and regulations.

Timely Warnings

Our institution issues timely warnings for any Clery Act crime that occurs on our Clery Geography that is:

- Reported to Campus Security Authorities (CSAs) or local police agencies; and
- Considered by our institution to represent a serious or continuing threat to students and employees.

The intent of timely warnings is to enable members of the USF System campus community to protect themselves. Timely warnings essentially are crime awareness and prevention bulletins to the USF System community.

Campus police decide to issue timely warnings on a case-by-case basis in light of all facts surrounding a crime, including factors such as the following:

- The nature of the crime.
- The continuing danger to the campus community.
- The possible risk of compromising law enforcement efforts.

Campus police decide the content of the timely warnings. These warnings include information that promote safety and would aid in the prevention of similar crimes including, but not limited to, information about the crime that triggered the warning.

Campus police issue timely warnings to our institution-issued email accounts. All enrolled USF System students and employees are provided an active email. Campus police will also use these email accounts to issue updates to timely warnings.

Since our timely warnings are sent to institution-issued email accounts, it is imperative that all enrolled students and current employees have such an email account. For assistance with student and employee email accounts, please contact your institution’s Information Technology Department as follows:

The Family Educational Rights and Privacy Act (FERPA) and the Timely Warning Requirement

The Clery Act does not require confidential reporting of crimes. Although personally identifiable information is generally precluded from disclosure, such information may be released in an emergency situation.

The Family Educational Rights and Privacy Act (FERPA), which protects student education information from disclosure, does not preclude our institution’s compliance with the timely warning provision of the Clery Act. FERPA recognizes that information can, in case of an emergency, be released without consent when needed to protect the health and safety of others. In addition, if institutions utilize information from the records of a campus law enforcement unit to issue a timely warning, FERPA is not implicated as those records are not protected by FERPA.

Security of and Access to Campus Facilities

During the day and during evening hours when classes are in session, the facilities for all institutions within the USF System (excluding housing facilities) are open to the public: students, parents, employees, contractors, guests, and invitees. Outside of these hours, all facilities are generally locked and only faculty, staff, and some students with proper identification are admitted. Campus police provide regular patrol of university buildings as well as parking lots. In the case of periods of extended closing, the institution will admit only those with appropriate authority.

The institution monitors our buildings and grounds with a concern for the safety and security of all persons and property. Inspections are routinely conducted and repairs are promptly made to ensure that appropriate safety and security standards are maintained. Campus police assists Facilities Planning & Management personnel by reporting potential safety and security hazards, which include conducting campus lighting surveys and reporting outages. Students, faculty, and staff are also encouraged to call Facilities Planning & Management to report any safety or security hazards.

A representative of campus police is involved in the review of architectural plans for new facilities or major renovations to existing buildings. Specific recommendations are made to enhance the security of all facilities before contractors begin working. Campus police also conduct physical security surveys of campus facilities that may be vulnerable to criminal intrusion. Specific recommendations are made regarding security hardware, alarms, or procedures that will serve to reduce the opportunities for crime to occur in or around campus buildings.

Programs About Campus Security Procedures

Our law enforcement officers provide safety and security training for all new students, faculty, and staff members of the university during orientation. This training introduces members of the USF System community to the various systems and practices our institutions put in place to enhance the safety and security of all community members. Information on how to respond to various kinds of potential emergency situations is reviewed with participants. Information about the importance of signing up for the MoBull emergency text message system is provided. Our campus police offer a wide variety of services to assist our campus community including evening and night time safety escorts between locations on campus.
Crime Prevention Programs for Students and Employees

Our institution offers a number of programs intended to reduce the potential for personal injury and loss of property. Presentations on safety are included in incoming students and residence hall students’ orientation, and are held frequently during Fall and Spring semesters for the benefit of students, faculty, and staff.

The USF System encourages all students and employees to be involved in campus crime prevention. Information on safety and security concerns and precautions are provided to students and employees regularly through briefings, orientation presentations, bulletins, crime alerts, posters, brochures, and residential bulletins, as well as student and employee publications. These are summarized below:

Presentations:
- Acts of Violence and Active Shooter Training
- Police Department – Who We are and What We Do

Crime Prevention Bulletins:
- Personal Safety
- Burglary and Theft Prevention
- Rape Agression Defense, R.A.D.

Services available at all times:
- Operation ID – Engraving of personal property
- Police Escort Services

In addition to the above, those wishing to schedule a crime prevention presentation should contact Campus Police at (941) 487-4210.

Our Counseling & Wellness Center also offers education and prevention programs on a variety of topics including, but not limited to:
- Alcohol programs
- Campus Safety and Wellness issues provided during our mandatory orientation programming for all new students and employees

In addition, our Counseling & Wellness Center offers a variety of outreach programs on an annual or as needed basis, addressing such issues as:
- Date/Acquaintance Rape
- Sexually Transmitted Diseases
- Sexuality and AIDS Education
- Substance Abuse and Awareness

The Counseling & Wellness Center and campus police provide individual and group presentations on issues of personal safety, health, and wellness to individuals and/or groups upon request or as one-on-one opportunities.

The USF Center for Victim Advocacy & Violence Prevention also offers education and prevention programs on a variety of topics, including:
- Sexual violence (including rape)
- Relationship violence, including domestic/dating violence
- Stalking
- Cybercrimes, identity theft and cyber-stalking

For more information on these education, prevention, and awareness programs, visit the Center for Victim Advocacy & Violence Prevention website at http://www.sa.usf.edu/advocacy/page.asp?id=72.
Alcohol and Illegal Drugs

Alcohol and Drug-Free Workplace Policy Statements

USF System Alcohol Policy prohibits the unlawful manufacture, distribution, possession, use, or sale of alcohol on the property of, or in connection with, any of the activities of the USF System. Such prohibitions are at all times subject to the applicable alcoholic beverages laws and ordinances of the State of Florida as well those by the city and county in which our institution resides.

USF System Drug-Free Workplace Policy prohibits the unlawful manufacture, distribution, possession, use, or sale of controlled substances (“illegal drugs”) on the property of or in connection with any of the activities of the USF System. The term “drugs” includes, but is not limited to, any narcotic drug, central nervous system stimulant, hallucinogenic drug, barbiturate, or any other substance treated as such and defined by the law. Further, the unauthorized possession or use of a regulated or controlled substance, including prescription drugs and paraphernalia used for drugs is a violation of federal and state law as well as violates the USF System Drug-Free Workplace Policy 0-610.

Alcohol Standards of Conduct

The specific standards of conduct for the possession, use, and sale of alcoholic beverages by USF System students, employees, and community members include, but are not limited to, the following:

- Do not violate the underage drinking laws of the State of Florida by
  - Possessing or consuming alcoholic beverages if you are less than twenty-one (21) years-of-age.
- Selling, furnishing, giving, serving, or providing alcoholic beverages to any person under twenty-one (21) years-of-age.
- Misrepresenting or misstating your age or the age of any other person for the purpose of inducing any licensor or his agents or employees to sell, give, serve, or deliver any alcoholic beverage to a person under twenty-one (21) years-of-age.
- Do not sell, or intend to sell, alcohol without a proper license issued by the State of Florida Division of Alcoholic Beverages and Tobacco.
- Do not operate a motor vehicle under the influence of alcohol.
- Do not be intoxicated in public.
- Do not conduct an open house party or any other event at which minors may possess or consume alcohol.
- Do not attend class, an organizational meeting, or any other USF System event that is specific for an educational gain while under the influence of alcohol.

Sanctions for Violating Our Alcohol Policy

Any criminal violation of State of Florida alcohol laws may be cause for criminal prosecution. Criminal prosecution may include incarceration, criminal probation, fines, and court cost. All criminal prosecutions and sanctions are addressed by the appropriate circuit court as provided below:

- USF Tampa: Hillsborough County Clerk of the Circuit Court
- USFSP: Pinellas County Clerk of the Circuit Court
- USFSM: Manatee County Clerk of the Circuit Court

Any employee or student determined to have violated USF System policy or regulation with regard to the manufacture, distribution, possession, use, or sale of alcohol shall be subject to institutional disciplinary action for misconduct. Such violations of policy by any employee or student will be reason for evaluation or treatment for an alcohol use disorder or for institutional disciplinary action up to and including termination or expulsion in accordance with applicable collective bargaining agreements and policies and procedures or referral for prosecution consistent with local and state law.

Sanctions for Violating Our Drug-Free Workplace Policy

Any criminal violation of federal or State of Florida drug laws may be cause for criminal prosecution. Criminal prosecution may include incarceration, criminal probation, fines, and court cost. All criminal prosecutions and sanctions are addressed by the appropriate circuit court as provided below:

- USF Tampa: Hillsborough County Clerk of the Circuit Court
- USFSP: Pinellas County Clerk of the Circuit Court
- USFSM: Manatee County Clerk of the Circuit Court

Any employee or student determined to have violated USF System policy or regulation with regard to the unlawful manufacture, distribution, possession, use, or sale of controlled substances (“illegal drugs”) on the property of or in connection with any of the activities of the USF System shall be subject to institutional disciplinary action for misconduct. Such violations of policy by any employee or student will be reason for evaluation or treatment for a drug use disorder or for disciplinary action up to and including termination or expulsion in accordance with applicable collective bargaining agreements, policies, and procedures, or referral for prosecution consistent with local, state, and federal law.

In order to comply with federal law, the USF System employees convicted of violating any criminal drug statute occurring in the workplace must notify their dean, director or supervisor no later than five (5) days after such conviction. The USF System will discipline any employee who is so convicted and/or require the employee’s satisfactory participation in a drug abuse assistance or rehabilitation program.
Alcohol and Drug-Free Workplace Policy Resources

Our alcohol and drug-free workplace policies, and the enforcement thereof, are codified in the below listed USF System policies and regulations:

Illegal Drug or Alcohol Abuse Prevention Programs

The USF System is committed to the safety and well-being of the campus community. All institutions in the USF System have developed education, prevention, and treatment resources to support students and staff in making healthy and informed decisions related to alcohol and illegal drugs. Below is more information about the drug or alcohol abuse prevention and education programs available to USF System students and employees.

Prevention and Education Programs for Students

As part of the university’s alcohol education program, all incoming students are required to complete an online course called AlcoholEdu for College. This course uses science-based research to educate participants about alcohol and its effects. Whether you drink or not, the course will provide information to help you make informed decisions about alcohol as well as negotiate the drinking behavior of your peers.

Counseling for Students

The USF Sarasota-Manatee Counseling and Wellness Center is a confidential resource for students providing services in consideration of the individual as a whole and emphasizing emotional and physical well-being, as well as academic concerns. It provides access to resources such as the Alcohol e-CheckUp To Go, which is an interactive, confidential web survey that provides feedback on drinking patterns. The Counseling and Wellness Center also provides in-person programs upon request to classes and during orientation. Additional informational resources are available online: http://usfsm.edu/counseling-wellness-center/.

Counseling for Employees

Human Resources has partnered with Magellan Health Services to provide all USF System employees with an Employee Assistance Program (EAP). Magellan’s EAP program offers confidential alcohol and substance abuse screening, assessment, and referral to all USF System employees, in addition to other solution-focused help and resources for all types of life issues. The Magellan program is available for all USF System employees free-of-charge 24 hours a day, seven days a week online at www.MagellanHealth.com/member or by telephone at 1-800-327-8705.

The Magellan program includes a comprehensive online resource library of articles, screening and self-assessment tools, tip sheets, calculators, resource guides, on-demand learning and personalized improvement plans. Employees and their families have up to three (3) counseling sessions. If an employee needs additional assistance beyond the scope of what the Magellan program provides, the employee may be referred to other resources such as their health benefits or community resources like Alcoholics Anonymous. USF System managers and supervisors can provide referrals for their employees through the EAP. An employee’s use of EAP services are confidential. They cannot provide information back to USF about who uses the program.

For more information about the drug and alcohol abuse services and other services provided to USF System employees through the EAP, visit the Human Resources EAP webpage at http://usf.edu/human-resources/eap/index.asp.

Health Risks Associated with Alcohol Abuse and the Use of Illicit Drugs

The information below was extracted from the publication “What Works: Workplaces Without Drugs,” U.S. Department of Labor, 1991. This information is also available on our Human Resources website at http://usf.edu/human-resources/pdfs/employee-relations/health-risks-associated-alcohol-drugs.pdf.

Alcohol

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood of an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including spouse and child abuse. Moderate to high doses of alcohol severely alter a person’s ability to learn and remember information. Very high doses, or low doses combined with other depressants of the central nervous system, can cause respiratory depression and death. Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations and convulsions. Alcohol withdrawal can be life threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, may permanently damage vital organs such as the brain and liver. Mothers who drink while pregnant may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics.

Anabolic Steroids

Anabolic steroids are powerful compounds closely related to the male sex hormone testosterone. Developed in the 1930s, steroids
may be taken orally or injected. Current legitimate medical uses are limited to certain kinds of anemia, severe burns and some types of breast cancer. When combined with a program of muscle-building exercise and diet, steroids may contribute to increases in body weight and muscular strength. Athletes have used steroids since the 1950s, hoping to enhance performance. Today, many young people use steroids to accelerate physical development. Steroid users may develop more than 70 side effects, ranging in severity from liver cancer and sterility to acne. Psychological effects include very aggressive behavior, known as “roid rage,” and depression. While some side effects appear quickly, others, such as heart attacks and strokes, may not show up for years. Signs of steroid use include quick weight and muscle gains; behavioral changes, particularly increased aggressiveness and combativeness; jaundice; purple or red spots on the body; swelling of feet or lower legs; trembling; darkening of the skin; and persistent, unpleasant breath odor.

**Cannabis**

All forms of cannabis have negative physical and mental effects. Physical effects of cannabis include increase in heart rate, bloodshot eyes, dry mouth and throat, and hunger. Smoking marijuana is damaging to the lungs and respiratory system. The tar in marijuana smoke is carcinogenic. Use of cannabis may impair short-term memory and comprehension, alter sense of time, and reduce ability to perform tasks requiring concentration and coordination, such as driving a car. Knowledge retention may be lower when information is given while a person is “high.” Motivation and cognition are altered, making the acquisition of new information difficult. Marijuana can also produce paranoia and psychosis. Long-term users may develop psychological dependence. Marijuana smoke contains more cancer-causing agents than tobacco smoke.

**Cocaine**

Cocaine stimulates the central nervous system, and long-term use can lead to psychological dependence. Its immediate effects include dilated pupils, elevated blood pressure and body temperature, and increased heart rate. Chronic use can cause ulceration of the mucous membrane in the nose. Injecting cocaine with unsterile equipment can transmit AIDS, hepatitis and other infections. Preparation of freebase, which involves the use of highly volatile solvents, can result in fire or explosion. Crack or freebase rock, a concentrated form of cocaine, is extremely potent. Its effects are felt within 10 seconds of administration. The drug produces the same physical effects as cocaine, as well as insomnia, loss of appetite, tactile hallucination, paranoia and seizures. Cocaine use may lead to death through disruption of the brain’s control of heart and respiration.

**Depressants**

The effects of depressants are similar to those of alcohol in many ways. Small amounts can produce calmness and relaxed muscles, but larger doses can cause slurred speech, staggering gait, and altered perception. Very large doses can cause respiratory depression, coma, and death. The combination of depressants and alcohol can increase the effects of the drugs and multiply the risks. The use of depressants can cause both physical and psychological dependence. Regular use may result in tolerance to the drug, leading the user to increase the quantity consumed. When regular users stop taking depressant drugs, they may develop withdrawal symptoms ranging from restlessness, insomnia, and anxiety to convulsions and death.

Babies born to women who abuse depressants during pregnancy may be physically dependent on the drugs and show withdrawal symptoms shortly after birth. These children often have birth defects and behavioral problems.

**Designer Drugs**

Illegal drugs are defined in terms of their chemical formulas. To circumvent these legal restrictions, underground chemists modify the molecular structure of certain illegal drugs to produce analogues known as designer drugs. These drugs can be several times stronger than the drugs they imitate. Many can cause severe neurochemical damage to the brain. The narcotic analogues can cause uncontrollable tremors, drooling, impaired speech, paralysis, and irreversible brain damage. Analogues of amphetamines and methamphetamines cause nausea, blurred vision, chills, or perspiration and faintness. Psychological effects include anxiety, depression, and paranoia. As little as one dose can cause brain damage. The analogues of phencyclidine cause illusions, hallucinations, and impaired perception.

**Hallucinogens**

Phencyclidine (PCP) interrupts the function of the neocortex, the section of the brain that controls the intellect and keeps instincts in check. Because the drug blocks pain receptors, violent PCP episodes may result in self-inflicted injuries. PCP often causes distance and space estrangement, lack of muscular coordination, and dulled senses. Time and body movement are slowed, and speech is blocked and incoherent. Chronic users of PCP report memory and speech difficulties. Some of these effects may last a year following prolonged daily use. Mood disorders such as depression, anxiety, and violent behavior also occur. Long-term chronic users may become paranoid and violent and experience hallucinations. Large doses may produce convulsions, coma, or heart and lung failure.

Lysergic acid (LSD), mescaline, and psilocybin cause illusions and hallucinations. Physical effects may include dilated pupils, elevated body temperature, increased heart rate and blood pressure, loss of appetite, sleeplessness, and tremors. Sensations and feelings may change rapidly. It is common to have a bad psychological reaction to LSD, mescaline, and psilocybin. The user may experience panic, confusion, suspicion, and anxiety. Delayed effects, or flashbacks, can occur even after use has ceased.

**Inhalants**

A variety of psychoactive substances have been inhaled as gases or volatile liquids. Many popular commercial preparations such as paint thinners and cleaning fluids are mixtures of volatile
substances making it difficult to be specific about their various effects. Immediate negative effects of inhalants may include nausea, sneezing, coughing, nose bleeds, fatigue, lack of coordination, and loss of appetite. Solvents and aerosol sprays may also decrease the heart and respiratory rates and impair judgment. Amyl and butyl nitrate cause rapid pulse, headaches, and involuntary passing of urine and feces. Long-term use may result in hepatitis or brain damage, weight loss, fatigue, electrolyte imbalance, and muscle weakness. Repeated sniffing of concentrated vapors over time can lead to permanent damage of the nervous system.

**Narcotics**

Narcotics initially produce a feeling of euphoria followed by drowsiness, nausea, and vomiting. Users may experience constricted pupils, watery eyes, and itching. An overdose may produce slow and shallow breathing, clammy skin, convulsions, coma, and death. Tolerance to narcotics develops rapidly and dependence is likely. The use of unsterilized syringes may result in transmission of diseases such as AIDS, endocarditis, and hepatitis. Addiction in pregnant women can lead to premature, stillborn, or addicted infants.

**Other Stimulants**

Stimulants can cause increased heart and respiratory rates, elevated blood pressure, dilated pupils, and decreased appetite. Users may perspire and experience headaches, blurred vision, dizziness, sleepiness, and anxiety. Extremely high doses can cause rapid or irregular heartbeat, tremors, loss of coordination, and physical collapse. An amphetamine injection creates a sudden increase in blood pressure that can result in stroke, very high fever, or heart failure. Users also report feeling restless, anxious, and moody. Persons who use large amounts of amphetamines over a long period of time can develop an amphetamine psychosis that includes hallucinations, delusions, and paranoia. These symptoms usually disappear when drug use ceases.

**Information about Registered Sex Offenders**

Under Florida Statutes, Section 1006.695, each institution within the USF System is required to inform new students and employees at orientation and on its website of the existence of the Florida Department of Law Enforcement Sexual Predator and Sexual Offender Registry website and the toll-free telephone number that gives access to sexual predator and sexual offender public information. This information is as follows:

**Florida Department of Law Enforcement**
**Florida Sexual Offenders and Predators**
Website: [https://offender.fdle.state.fl.us/offender/homepage.do](https://offender.fdle.state.fl.us/offender/homepage.do)
Toll-free number: 1-888-357-7332
For TTY Accessibility: 1-877-414-7234

In compliance with this law, each institution’s respective police department provides this information to all new students and employees during orientation. Likewise, each institution’s respective police department maintains this information on their website as follows:

The Campus Sex Crimes Prevention Act also requires sexual predators and offenders to provide notice, as required under state law, of each institution of higher education in that state at which the person is employed, carries on a vocation, or is a student at that institution. Campus police will notify the university community when a registered sexual predator or offender has registered as being on campus in accordance with Florida Statutes, Section 1005.10.

If you have any questions or concerns regarding these laws, please contact campus police as follows:

**USF Tampa, University Police Department**: (813) 974-2628

**USF St. Petersburg, University Police Services**: (727) 873-4475

**USF Sarasota-Manatee, Campus Police Department**: (941) 487-4210
Policies, Programs, and Procedures for Sexual Assault, Domestic Violence, Dating Violence and Stalking

Policy Prohibitions and Definitions
The crimes of sexual assault, dating violence, domestic violence, and stalking are prohibited within the USF System under USF System Policy 0-004: [http://regulationspolicies.usf.edu/policies-and-procedures/pdfs/policy-0-004.pdf](http://regulationspolicies.usf.edu/policies-and-procedures/pdfs/policy-0-004.pdf). These crimes are prohibited in all academic, educational, extracurricular, athletic, and other programs of the USF System, whether those programs take place in university facilities, at a class, or training program sponsored by the university at another location, or elsewhere. Below are the definitions of these crimes and the term “consent” in the context of sexual activity as provided under Florida statutes:

**Sexual Assault** is called “Sexual Battery” under Florida statutes and is defined as follows:

The oral, anal, or vaginal penetration by, or union with, the sexual organ of another or the anal or vaginal penetration of another by any other object without that person’s consent. Sexual battery does not include an act done for bona fide medical purpose.

**Consent** in the context of the above definition of sexual battery means intelligent, knowing, and voluntary consent and does not include coerced submission; it is not deemed or construed to mean the failure of the alleged victim to offer physical resistance to the offender. State of Florida statutes clarify that consent is NOT obtained in the following circumstances:

1. The victim is physically helpless to resist.
2. The offender coerces the victim to submit by threatening to use force or violence likely to cause serious personal injury on the victim, and the victim reasonably believes that the offender has the present ability to execute the threat.
3. The offender coerces the victim to submit by threatening to retaliate against the victim, or any other person, and the victim reasonably believes that the offender has the ability to execute the threat in the future.
4. The offender, without the prior knowledge or consent of the victim, administers or has knowledge of someone else administering to the victim any narcotic, anesthetic, or other intoxicating substance that mentally or physically incapacitates the victim.
5. The victim is mentally defective, and the offender has reason to believe this or has actual knowledge of this fact.
6. The victim is physically incapacitated.
7. The offender is a law enforcement officer, correctional officer, or correctional probation officer or is an elected official or any other person in a position of control or authority in a probation, community control, controlled release, detention, custodial, or similar setting, and such officer, official, or person is acting in such a manner as to lead the victim to reasonably believe that the offender is in a position of control or authority as an agent or employee of the government.

For more information about Florida sexual battery statutes visit [www.leg.state.fl.us/Statutes](http://www.leg.state.fl.us/Statutes) (Chapter 794).

**Domestic Violence** is defined under Florida statutes as:

Any assault, aggravated assault, battery, aggravated battery, sexual assault, sexual battery, stalking, aggravated stalking, kidnapping, false imprisonment, or any criminal offense resulting in physical injury or death of one family or household member by another family or household member. “Family or household member” means spouses, former spouses, persons related by blood or marriage, persons who are presently residing together as if a family or who have resided together in the past as if a family, and persons who are parents of a child in common regardless of whether they have been married. With the exception of persons who have a child in common, the family or household members must be currently residing or have in the past resided together in the same single dwelling unit.

**Dating Violence** is defined under Florida statutes as:

Violence between individuals who have or have had a continuing and significant relationship of a romantic or intimate nature. The existence of such a relationship shall be determined based on the consideration of the following factors:

1) A dating relationship must have existed within the past 6 months;
2) The nature of the relationship must have been characterized by the expectation of affection or sexual involvement between the parties; and
3) The frequency and type of interaction between the persons involved in the relationship must have included that the persons have been involved over time and on a continuous basis during the course of the relationship.

**Stalking** is defined under Florida statutes as:

A person who willfully, maliciously, and repeatedly follows, harasses, or cyberstalks another person commits the offense of stalking.

In this context, the term “harass” means to engage in a course of conduct directed at a specific person which
causes substantial emotional distress to that person and serves no legitimate purpose. Likewise, the term “cyberstalk” means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose.

Programs to Prevent and Raise Awareness

Primary Prevention and Awareness Training

All new students are required to complete online prevention and awareness training for sexual assault, domestic violence, dating violence, and stalking (“VAWA” training). In addition, first time in college students, transfer students, resident assistants (RAs), International and INTO students, and graduate and teaching assistants received in-person VAWA training as part of their orientation. New faculty, new employees, and several departments across campus received a live, in-person VAWA training during the last calendar year.

Our institution also provides the following policy and compliance information to all participants during new employee orientation. USF System Policy 0-004 Sexual Misconduct/Sexual Harassment (including Sexual Violence) and Sexual Predators & Offenders Information.

Ongoing Prevention and Awareness Campaigns

The following ongoing prevention and awareness programs were provided by the USF System to all students and employees:

The REAL Deal

Since 2009, the USF Center for Victim Advocacy and Violence Prevention has provided the REAL Deal program (Relationship Equality Antiviolence League), intended to provide primary prevention of violence against women using a team of student peer educators (REAL Trainers). The REAL Deal program is based on a model of active, pro-social bystander intervention and recognizes men as allies to end violence against women. REAL offers bystander intervention training in a 1-2 hour classroom and workshop format.

Beginning Fall semester 2014, bystander intervention training for new faculty and staff was offered as part of a program designed specifically for this population as a part of the training developed to meet the new VAWA requirements. The following are principles covered in both the REAL and the faculty/staff programs: Most people practice bystander intervention every day. For example, we tell people when they have something stuck in their teeth or have left their car lights on. We hold doors for people carrying groceries.

Consent Campaign

The consent campaign includes flyers and trainings at request to the USF System on the definition and importance of consent.

USF Sarasota-Manatee provides ongoing prevention and awareness programming open to students, faculty, and staff. The campus is working to challenge the social norms of violence against women through the It’s On Us campaign, Elephant In the Room events, which encourage discussion about tough topics such as sexual violence and human trafficking, and our Strength Is Not For Hurting event. In addition, we are committed to breaking the cycle through awareness with passive poster campaigns and classroom presentations. USF Sarasota-Manatee also provided its first annual Ally training, designed to raise awareness about issues of concern in the LGBTQ community, including discriminatory violence.

Key Topics Covered in Prevention and Awareness Trainings and Campaigns

The USF System’s prevention and awareness trainings and campaign programs address the below-listed key topics as required under VAWA amendments to the Clery Act for our students and employees:

1. The USF System’s policies prohibiting the crimes of dating violence, domestic violence, sexual assault, and stalking.
2. The definitions of domestic violence, dating violence, sexual assault, consent (in reference to sexual activity), and stalking per Florida statutes.
3. Safe and positive options for bystander intervention.
4. Information on risk reduction to recognize warning signs of abusive behavior and how to minimize risk for potentially violent situations.
5. Information on possible sanctions or protective measures that the USF System may impose following a final determination of an institutional disciplinary procedure regarding rape, acquaintance rape, domestic violence, dating violence, sexual assault, or stalking.
6. Procedures victims should follow if a sex offense, domestic violence, dating violence, sexual assault, or stalking has occurred.
7. Procedures for institutional disciplinary action in cases of alleged domestic violence, dating violence, sexual assault, or stalking.
8. Information about how the institution will protect the confidentiality of victims.
9. Written notification of students and employees about existing counseling, health, mental health, victim advocacy, legal assistance, and other services available for victims both on-campus and in the community.
10. Written notification of victims about options for, and available assistance in, changing academic, living, transportation, and working situations, if so requested by the victim and if such accommodations are reasonably available, regardless of whether the victim chooses to report the crime to campus police or local law enforcement.

More information on all these key topics is provided in this and subsequent sections of this report.
Safe and Positive Options for Bystander Intervention

Bystander Intervention Steps

The five steps of bystander intervention (adapted from Darley & Latane) are provided below and are incorporated into our prevention and awareness trainings and campaigns:

Step 1: Notice a situation – pay attention to your surroundings.

Step 2: Interpret the situation as someone is in danger or there is a potential for danger. Many situations are ambiguous. It's okay if you’re wrong and it's not an emergency.

Step 3: Assume responsibility to help. Decide that YOU personally should do something to help the victim or that if you don’t help, no one will.

Step 4: Know how to help. Try Bystander Intervention Techniques. (We give you some examples below.)

Step 5: Decide to safely intervene.

Bystander Intervention Techniques

Our prevention and awareness trainings and campaigns discuss and provide examples of bystander intervention techniques such as the following:

- Distract
  - Ask for directions
  - Spill a drink
  - Engage them in conversation
  - Women: Invite the female to go to restroom with you – once there, ask if she needs help

- Delegate
  - Involve others if you don’t feel safe intervening alone
    - Ask friends to help you distract or confront
    - Find the person-at-risk’s friends and tell them you are concerned about the safety of their friend

- Direct
  - Directly confronting the situation (think about how you would directly stop someone from driving drunk)
    - “I don’t like how you treat your girlfriend [or wife] – it’s abusive and needs to stop.” Offer to help find an intervention program.
    - “I’m getting her friends to take her home now.”

Risk Reduction

The following warning signs are given in the form of a flyer to all students in Freshman English classes and all new faculty and staff participating in Violence Against Women Act (VAWA) training. In addition, classroom presentations and special workshops are held throughout the year in which risk reduction is discussed and the warning signs flyer is distributed. An additional risk reduction flyer is also widely distributed and contains the below tips. Key concepts from these flyers are provided below:

Warning Signs of an Abuser

- Intensity: “Too much, too soon”
  - Pushes for a quick relationship – wants to move in together or marry soon after meeting
  - “Sweeps you off your feet” – expensive gifts; constant messaging and calling; wants to be with you all the time
  - Uses conversation that is inappropriately intimate

- Power and Control:
  - Jealousy (It is not a sign of love but of possession)
  - Demands your undivided attention, even at inappropriate times
  - Doesn’t want you to spend time with your friends or family
  - Invades your personal space – sits or stands uncomfortably close, touches you constantly or in ways that make you uncomfortable
  - Refuses to take responsibility for his own behavior or mistakes – blames you and/or others when something goes wrong
  - Wants to be in control and make all decisions

- Sexual Entitlement:
  - Sexualizes non-sexual situations and relationships, e.g., in the workplace
  - Makes inappropriate comments about people’s bodies or sexuality
  - Pushes you to have sex when you don’t want to; makes you feel guilty when you refuse sex
  - Wants you to have sex in a way that makes you uncomfortable or is painful
  - “Playful” use of force during sex
  - Believes in male superiority over women; believes in rigid sex roles

- Anger and Hostility:
  - Becomes angry easily and quickly
  - Does not tolerate frustration or disappointment well
  - Teases animals, children, or other adults in a mean or physical way and doesn’t stop when asked; may be cruel to animals
  - Yells, calls you names, or belittles you
  - Looks at you or acts in ways that intimidate you
  - Gets into physical fights with other people
  - Drives in a dangerously aggressive way

Risk Reductions Tips

1. Consent is necessary regardless of the sex, gender identity, or sexual orientation of the parties involved.
2. Know your sexual intentions and limits. You have the right to say “No” to any unwanted sexual act. If you are uncertain about what you want, ask the other person to respect your need to wait until you are sure.
3. Listen carefully. Take the time to hear what the other person is saying. If you don’t understand whether consent has been given, ask for clarification.
4. Believe in your gut feelings. If you feel uncomfortable or think you may be at risk, leave the situation immediately.
5. It is okay to “make a scene” if you feel threatened or unsafe. Being assertive and calling attention to what is happening is a highly successful self-defense technique. If you feel you are being pressured or coerced into sexual activity you don’t want, state your feelings (“I don’t like that you are pressuring me”) and get out of the situation. Preventing a rape is worth a few moments of social awkwardness or embarrassment.
6. Be aware that having sex with someone who is mentally or physically incapacitated and giving consent is rape (called sexual battery in Florida). Having sex with someone who is incapacitated, drugged, passed out, incapable of saying “No,” or unaware of what is happening is rape.
7. Be especially careful under these circumstances:
   a. In group situations: Be prepared to resist pressure from friends to participate in violence against or violation of another person.
   b. In situations involving the use of alcohol or drugs: Substances can interfere with your ability to assess situations, to communicate effectively, and to protect yourself.
8. Get involved and take action if you believe someone is at risk. If you see someone in trouble at a party, or a person forcing or pressuring another person, intervene. You may save someone from the trauma of sexual battery or a friend from violating someone and being prosecuted for a crime.

Procedures Victims Should Follow

The Center for Victim Advocacy and the Title IX Coordinator have created a one-page, two-sided flyer to provide victims of sexual assault, domestic violence, dating violence, and stalking (the “VAWA Flyer”) with written information about the following:

1. The importance of preserving evidence that may assist in proving that the alleged criminal offense occurred or may be helpful in obtaining a protection order.
2. How and to whom the alleged offense should be reported.
3. Options about the involvement of law enforcement and campus authorities, including the victims options to:
   a. Notify law enforcement authorities, including on-campus and local police;
   b. Be assisted by campus authorities in notifying law enforcement authorities, if the victim chooses; or
   c. Decline to notify law enforcement authorities.
4. The rights of victims and our institution’s responsibility for orders of protection, no-contact orders, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court or by the institution.
5. Existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, and other services available for victims, both within the USF System and in the community.
6. Options for, and available assistance in, changing academic, living, transportation, and working situations (“protective measures”).
7. Students’ or employees’ rights and options in the event of these crimes.

An example of the VAWA flyer for each institution within the USF System is provided in this report in its entirety in Appendix E. In addition, the Center for Victim Advocacy and Violence Prevention has developed a Guide for Victims of Sexual Assault & Harassment; Domestic, Relationship, & Dating Violence; and Stalking to provide more in-depth details about the above topics as well as those listed below. The Victim’s Guide is provided in this report in its entirety as Appendix F.

Victim Resources: Confidential, Non-Confidential, On-Campus, and Off-Campus

The USF System provides written communication to its students and employees about existing on-campus and off-campus counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, and other services, both confidential and non-confidential, available for victims of sexual assault, dating violence, domestic violence, stalking, and other crimes via the following:

- Annual Security & Fire Safety Report
- VAWA Trainings (online and live) for students and employees
- VAWA Flyer
- Victim’s Guide
- Employee Assistance Program

The above list is not exhaustive. For more information about the confidential and non-confidential resources located on campus and off campus for victims of sexual assault, dating violence, domestic violence, and stalking, across the USF System, contact the Center for Victim Advocacy and Violence Prevention by calling their office at (813) 974-5756; call the Victim Helpline at (813) 974-5757; or visit their website at: http://www.sa.usf.edu/ADVOCACY/.
Our institution has confidential and non-confidential resources located on campus and off campus available to students and employees who are victims of sexual assault, dating violence, domestic violence, and stalking. Contact the confidential Victim Advocate (24/7) at (941) 504-8599. Victims can also consult the most recent version of VAWA flyer available here: http://usfsm.edu/wp-content/uploads/2014/03/04-11-16-SM-VAWA-Tiitle-IX-Flyer.pdf. A sample of the USFSM VAWA flyer is provided in Appendix E.

Institutional Proceedings: The Fundamentals

When a USF System student, employee, or vendor is accused of sexual assault, dating violence, domestic violence, or stalking, the USF System may initiate institutional disciplinary proceedings based on the circumstance of the allegation. The type of institutional disciplinary proceeding initiated depends on the identity of the accused individual (the "Respondent") as follows:

• When the Respondent is a student, the incident is referred to the Office of Student Rights and Responsibilities (OSRR) for addressing in accordance with the Student Code of Conduct via the OSRR process.
• When the Respondent is an employee or vendor, the incident is referred to the Office of Diversity, Inclusion, and Equal Opportunity (DIEO) for addressing in accordance with Title VII via the DIEO process.
• When the Respondent is both an employee/vendor and a student, the OSRR and DIEO offices will work together to ensure the incident is reviewed by the appropriate process.
• When the Respondent’s status as an employee, student, or vendor is not clear, the OSRR and DIEO offices will work together to ensure the incident is reviewed by the appropriate process.

In addition to our OSRR and DIEO proceedings and processes, a federal civil rights law called Title IX is implicated when sexual assault, dating violence, domestic violence, or gender-based stalking involves our students, employees, visitors, vendors, or other persons participating in our educational programs or activities. Title IX prohibits sex (gender) discrimination in any federally-funded education program or activity. The OSRR, DIEO, and Title IX proceedings and processes and their associated investigations are performed by individuals who receive annual training on how to perform these proceedings in accordance with federal law, state law, and institutional policy and regulations. Any DIEO, OSRR, and Title IX proceedings involving allegations of sexual assault, dating violence, domestic violence, and stalking are conducted by officials who at a minimum receive annual training on the issues specifically related to these crimes and on how to conduct an investigation and hearing process in a manner that protects the safety of victims and promotes accountability. More details about our institution’s OSRR, DIEO, and Title IX processes are provided in the below sections.

Institutional Disciplinary Action for Sexual Assault, Dating Violence, Domestic Violence, and Stalking

The chart on page 22 summarizes the overlapping reporting and investigatory responsibilities of our institutional disciplinary processes, their relationships in terms of information sharing, and how they relate to criminal proceedings.

Our OSRR, DIEO, and Title IX proceedings share common characteristics with respect to the following: standard of evidence used; required training for proceedings’ officials; rights to an advisor; written information provided to Respondents and Complainants; and the sanctions that our institution can impose on employees and students found responsible for violating USF System policy. These commonalities are discussed in greater detail below.

Standard of Evidence Used

The OSRR, DIEO, and Title IX processes, proceedings, and their associated investigations are conducted in a prompt, fair, and impartial manner using the preponderance of the evidence standard. This standard of evidence is used during any OSRR, DIEO, and Title IX institutional disciplinary proceedings, including, but not limited to, any arising from an allegation of sexual assault, dating violence, domestic violence, or stalking. This standard of evidence differs from the criminal justice system’s standard of evidence by beyond reasonable doubt. OSRR, DIEO, and Title IX investigations, proceedings, and processes occur independent of any criminal investigation or prosecution.

Training for Proceedings’ Officials

The OSRR, DIEO, and Title IX processes and their associated investigations are performed by individuals who receive annual training on how to perform these proceedings in accordance with federal law, state law, and institutional policy and regulations. Any DIEO, OSRR, and Title IX proceedings involving allegations of sexual assault, dating violence, domestic violence, and stalking are conducted by officials who at a minimum receive annual training on the issues specifically related to these crimes and on how to conduct an investigation and hearing process in a manner that protects the safety of victims and promotes accountability. More details about our institution’s OSRR, DIEO, and Title IX processes are provided in the below sections.

Right to an Advisor

The Complainant and the Respondent have the same rights to have others present during any institutional disciplinary proceeding (OSRR, DIEO, or Title IX), including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice. The USF System restricts the extent to which an advisor may participate in our institutional proceedings (OSRR, DIEO, or Title IX) as listed below. These restrictions apply equally to both the Respondent’s and Complainant’s chosen advisor.

• USF System employees who have a potential conflict of interest are not permitted to serve as an advisor.
During meetings and proceedings, the advisor may speak with the Complainant or Respondent, but may not speak for them, act as attorney, nor otherwise participate in the institutional disciplinary process or proceeding.

Advisors may be present to advise but shall not speak for or present the case for the Complainant or Respondent, or otherwise participate directly in the proceeding.

It is the responsibility of the Complainant or Respondent to make appropriate arrangements for travel, costs, and attendance for their advisor.

Proceedings are not delayed due to scheduling conflicts of the chosen advisor.

Important: Our DIEO and OSRR institutional disciplinary proceedings and any resultant institutional disciplinary actions, do NOT preclude criminal investigation by the USF Police Department or the law enforcement agency having jurisdiction. Likewise, our Title IX processes neither preclude nor supersede any criminal investigation. Criminal investigations proceed in accordance with state and federal law; occur independently of our institutional proceedings and processes; and are solely the purview of the criminal justice system. Our Title IX process occurs in accordance with state and federal law, and involves a partnership between Title IX, DIEO, and OSRR for the shared goal of stopping, remedying, and preventing instances of discrimination.

Written Information Provided to Complainants and Respondents
The DIEO Intake Coordinator, the OSRR Official, or Title IX Official receiving the allegation will provide victims of sexual assault, dating violence, domestic violence, or stalking with written information about the following:

- The importance of preserving evidence that may assist in proving that the alleged criminal offense occurred or may be helpful in obtaining a protection order;
- How and to whom the alleged offense should be reported;
- The victim’s options to —
  1. Notify proper law enforcement authorities, including on-campus and local police;
  2. Be assisted by campus authorities in notifying law enforcement authorities if the victim so chooses; and
  3. Decline to notify such authorities;
- Their rights to and the institution’s responsibilities for orders of protection, no-contact orders, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court or by the institution;
- How the institution will complete publicly available
Sanctions may be imposed on employees found to have violated USF System regulations and policies:

- **USF System Regulation 10.112-Misconduct and Incompetence (Faculty)** available on the General Counsel’s website at [http://regulationspolicies.usf.edu/regulations/pdfs/regulation-usf10.112.pdf](http://regulationspolicies.usf.edu/regulations/pdfs/regulation-usf10.112.pdf)

Not all employee sanctions or disciplinary actions are appropriate for all cases. For example, possible employee sanctions for an allegation of sexual assault, domestic violence, dating violence, or stalking (which constitute forms of sexual harassment under USF System Policy 0-004) are limited to the following disciplinary actions:

- Suspension
- Dismissal

**Potential Student Sanctions**

The Student Code of Conduct lists sanctions which may be imposed by our institution on a student or a student organization found to have violated USF System regulations and policies. For a complete list of these sanctions, consult the Student Code of Conduct regulation [http://regulationspolicies.usf.edu/regulations/pdfs/regulation-usf6.0021.pdf](http://regulationspolicies.usf.edu/regulations/pdfs/regulation-usf6.0021.pdf). Not all of sanctions provided in the Student Code of Conduct are appropriate for all cases. For example, possible sanctions for an allegation of dating violence, domestic violence, sexual assault, or stalking are not limited to but more than likely include the following:

- **Restriction** – Conditions imposed on a student that would specifically dictate and limit future presence on campus and participation in University activities. The restrictions involved will be clearly identified and may include but are not limited to a University order forbidding the Charged Student from all contact with the Complainant. Restrictions may also apply to denial of operating a motorized vehicle (including golf carts) on campus, access and use of USF System services, and presence in certain buildings or locations on campus.
- **Restitution** – A payment for injury or damage.
- **Financial Aid Impacts** – A restriction on or revocation of financial aid where appropriate pursuant to law or NCAA policy.
- **Deferred Suspension** – Suspension imposed at a definite future date or time.

**Potential Employee Sanctions**

Sanctions may be imposed on employees found to have violated USF System policies and regulations via DIEO/Title IX institutional proceedings and processes. The results of the DIEO and Title IX proceedings are provided to Human Resources and the Office of the General Counsel, who implement sanctions as warranted. This is done in accordance with the following provisions of USF System Policy 0-004 which states, “The designated office [DIEO or Title IX] will review such complaints and provide appropriate response including counseling, mediation (in limited circumstances), and/or referral for disciplinary action, up to and including termination from employment and/or expulsion from the USF System.”
• **Suspension**—Termination of a student’s privilege to attend the University for an indefinite or a specified period of time. This may include a restrictive order that would exclude the person from campus. In cases where the student resides on campus, the student will be given reasonable time to vacate the residence halls (i.e., 24 to 48 hours).

• **Expulsion**—Permanent termination of a student’s privilege to attend the USF System. This may include a restrictive order that would exclude the person from campus. In cases where the student resides on campus, the student will be given reasonable time to vacate the residence halls (i.e., 24 to 48 hours).

• **Other Appropriate Sanctions**—Such as mandated community service, educational programs (payment of associated fees), and written assignments.

The above sanctioning guide is to give the range of sanctions that would “most likely be given” if a person was to be found responsible for a single instance of the violation. It is not a maximum and minimum guide. It is a guide based on recent cases from the past 3 years. It does not take into account multiple violations during a single incident.

While our institutional proceedings share the above common characteristics (e.g., standard of evidence used; required training for proceedings’ officials; rights to an advisor; etc.), there are differences in our OSRR, DIEO, and Title IX proceedings due to nuances in the proceedings’ requirements under federal law, institutional policy, sub-regulatory guidance, and best practices. These differences in OSRR, DIEO, and Title IX proceedings and actions at our institution are discussed in greater detail below.

**OSRR Proceedings and Actions**

**Incidents involving students accused of violating institutional policies and regulations.**

The Office for Student Rights & Responsibilities (OSRR) supports the mission, goals, values, and vision of the USF System by promoting a community that values individual responsibility and the adherence to community standards as embodied in the Student Code of Conduct. The OSRR implements and oversees the Student Code of Conduct and its associated processes and proceedings as codified in USF System Regulation 6.0021, available online at [http://regulationspolicies.usf.edu/regulations/pdfs/regulation-usf6.0021.pdf](http://regulationspolicies.usf.edu/regulations/pdfs/regulation-usf6.0021.pdf).

Students or student organizations commissioning, aiding, abetting, attempting, or inciting any offense outlined in the Student Code of Conduct may be subject to OSRR institutional disciplinary proceedings and actions via the student code of conduct process. The steps, anticipated timelines, and the decision-making process for when a student is accused of sexual assault, domestic violence, dating violence, or stalking are the same as for any other offense which constitutes a violation of the Student Code of Conduct.

**Initial Intake and Review**

Upon receipt of referral of an alleged violation of the Student Code of Conduct, OSRR commences an Initial Review. The purpose of an Initial Review is to determine whether relevant evidence exists and if there is a reasonable basis for believing the Student Code of Conduct was violated. This review involves the accused student (the “Respondent”), the individual bringing forth the allegation (the “Complainant”), who may or may not be the victim of the alleged offense, and any applicable witnesses. The time to complete the Initial Review depends on the specific circumstances and the availability of parties involved in the matter; however, in cases of sexual misconduct/sexual harassment, the university is considered “on notice” once we have received written or oral communication. In the latter cases, we are compelled under Title IX to resolve the matter within a 60-day resolution period. The Title IX Office and OSRR coordinate their processes to achieve this end.

**Notification of Initial Review Results and Outcomes**

Once the Initial Review is complete, the Conduct Officer issues a Disposition Letter to the Respondent and, in cases involving sexual misconduct/sexual harassment, simultaneously sends a notice to the Complainant. This letter indicates whether or not the referral is accepted and, if the referral is accepted, the Respondent has five class days to take one of the following actions:

1. **Admit Responsibility**—This means the Respondent admits responsibility and agrees to the imposition of any sanctions detailed in the letter. At this point, the Disposition Letter becomes the final determination and official record of the matter.

2. **Request a Formal Hearing**—This means the Respondent does not accept responsibility and wishes to exercise their right to have a Formal Hearing.

If no response is received from the Respondent in the allotted time, the Disposition Letter becomes the final determination and official record of the matter.

**Formal Hearing**

The purpose of a formal hearing under the Student Code of Conduct process is to determine whether or not a violation of the Student Code of Conduct occurred based on the preponderance of evidence standard. Respondents electing to have a formal hearing under the Student Code of Conduct must do so in writing, designating their choice of one of two hearing types:

1. Administrative Hearing; or
2. University Conduct Board Hearing

An Administrative Hearing is conducted by a full-time USF System employee who is also a member of the University Conduct Board (UCB). University Conduct Board Hearings are conducted by students, faculty, or staff who are members of the UCB. In contrast to an Administrative Hearing, a UCB Hearing is conducted by a panel of UCB members where at least 50% of the panel is comprised of student UCB members.

**Notification of Formal Hearing Results and Outcomes**

The Complainant and Respondent are simultaneously notified of the results and outcomes of the OSRR Formal Hearing in writing,
within 10 days of the hearing; that is, unless there are extraordinary circumstances that delay such notice. OSRR Hearing results and outcomes communicated in this manner include the following:

- The results of the OSRR Hearing
- The procedures for the Complainant and the Respondent to appeal the results of the Hearing
- Any change to the results of an OSRR Hearing
- The date the results of the OSRR proceedings become final

**Right to Appeal**

The Complainant and the Respondent in cases involving sexual misconduct and sexual harassment have equal rights to appeal the decision of the Formal Hearing in writing within five class days of the date of the letter describing the decision. The appeal must be written to the Dean of Students or, if the matter occurred at USFSP or USFSM, to the appropriate designee at the separately accredited institution within the USF System.

The Dean of Students or designee will review the appeal to see if it meets one of the following three categories for the appeal to be considered:

a. Due Process—To determine whether the formal hearing was conducted fairly in light of charges and information presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and to present information that the Student Code was violated, and giving the charged student a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results (Due Process).

b. Sanctioning—To determine whether the sanction(s) imposed was extraordinarily disproportionate for the violation of the Student Code, which the student was found to be responsible.

c. New Information—To consider new information, sufficient to alter a decision or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original Formal Hearing. Outcomes of criminal or civil cases have no bearing in any aspect of the process including the appeal.

If the appeal addresses one of the three categories, the Dean may adopt, modify, or reject the decisions and/or sanctions from the Formal Hearing. The record of the initial hearing may be considered on appeal as well as any new information that comes to the attention of the Dean of Students or designee. The Dean of Students or designee is authorized to contact any participants in the initial hearing for clarification. The Complainant and Respondent are entitled access to the record when appealing. The decision made by the Dean of Students will be rendered within 10 business days of receipt of the appeal, except in extraordinary cases as determined by the Dean of Students. The decision made by the Dean of Students is considered final. If the appeal is not upheld, the matter is considered final and binding upon all involved.

**DIEO Proceedings and Actions**

Incidents involving employees or vendors accused of violating institutional policies and regulations prohibiting category discrimination, harassment, and/or retaliation including, but not limited to, sexual harassment and sexual violence. When a USF System employee is alleged to have committed sexual assault, domestic violence, dating violence, stalking, or any other type of discrimination specifically prohibited under a federal law, called Title VII, the Office for Diversity Inclusion & Equal Opportunity (DIEO) should be notified immediately. Title VII prohibits discrimination in employment on the basis of race, color, religion, sex, or national origin. Sexual harassment and pregnancy discrimination are also prohibited under this law as a form of sex discrimination. Students, staff, and faculty are strongly encouraged to report allegations of discrimination, harassment, and/or retaliation to the DIEO Office.

**Initial Intake and Review**

DIEO is typically notified via one of the following modalities:

- **Title IX Incident Report Form**, available on the Title IX page of the DIEO website: [http://www.usf.edu/diversity/title-ix/reporting.aspx](http://www.usf.edu/diversity/title-ix/reporting.aspx)
- EthicsPoint, the USF System’s anonymous reporting hotline: [https://secure.ethicspoint.com/domain/media/en/gui/14773/](https://secure.ethicspoint.com/domain/media/en/gui/14773/)
- Emails
- Calls
- Walk-ins
Once notified by one of the above methods, the Intake Coordinator/Designee will conduct an Intake Interview with the potential Complainant regarding the Complainant’s allegation. During this meeting, the Intake Coordinator will determine jurisdiction; interview the Complainant; discuss options for addressing the allegation; and provide to the Complainant information on filing a complaint, about USF resources, and about their rights under Title IX.

- If DIEO does NOT have jurisdiction:
  
  If DIEO does not have jurisdiction, the Intake Coordinator/Designee will assist the Complainant in determining the most appropriate university administrative or academic unit to refer the Complainant for handling of the Complainant’s allegation.

- If DIEO has jurisdiction:
  
  If the Intake Coordinator/Designee determines that the DIEO Office does have jurisdiction regarding the Complainant’s allegation, then the Intake Coordinator/Designee will give the Complainant an EO Complaint Form to complete. The Complainant has 120 calendar days from the date of the alleged incident of discrimination, harassment, and/or retaliation to file such a form with DIEO alleging protected category discrimination, harassment, or retaliation. If the matter involves gender-based discrimination, sexual harassment, sexual misconduct, sexual violence, sexual assault, domestic violence, dating violence, or gender-based stalking, the Intake Coordinator/Designee will notify the Title IX Coordinator for addressing in accordance with our Title IX process described below.

DIEO Investigation

If the Complainant files a complaint via the DIEO Office, then the complaint is assigned to an Investigator who is responsible for conducting the investigation. Generally, if the Complainant does not file a complaint with the DIEO Office, then an investigation of the allegation will not take place. However, depending on the specifics of the allegation, the DIEO Office may have an obligation to proceed with an investigation, regardless of a Complainant’s wishes, in order to ensure campus safety. Complainants are not required to participate in the investigation, but if they choose not to, this may limit the university’s ability to respond to the incident.

If a Complainant requests their name or other identifying information not be used in an investigation, USF will consider their request in light of the context of its responsibility to provide a safe and nondiscriminatory environment. The confidentiality and privacy of all parties involved during the investigation process will be maintained to the fullest extent possible. However, the DIEO Office does not promise absolute confidentiality. Generally, information including the Complainant’s name may be shared with the Respondent and with university officials who have a legitimate need to know.

The Complainant or Respondent may be accompanied by one person to any interview conducted by the Intake Coordinator or Investigator. The person who accompanies either party may be an attorney or any support person (including an advocate from the USF Center for Victim Advocacy). In the DIEO Office’s investigation process, the Complainant and the Respondent are not required to be present together at any point in the process and they are not permitted to directly question each other. Both the Complainant and the Respondent have the right to identify witnesses and provide other information relevant to the investigation.

In most cases, the DIEO Office will not wait until a criminal case is resolved before proceeding with the investigation of a complaint. In cases where a police investigation has been conducted or is being conducted for sexual assaults, law enforcement may be able to provide information to the DIEO Office with the victim’s consent. USF’s fact-finding investigation may be delayed for a short period of time upon a request from law enforcement, but will be promptly resumed as soon as possible.

The DIEO Office’s goal is to resolve investigations of sexual misconduct, including sexual harassment/violence complaints within 60 days, but depending on the complexity of the case and any documented extenuating circumstances, such investigations may take longer.

Notification of Investigation Results and Outcomes

The DIEO Office simultaneously mails to both the Complainant and the Respondent a copy of the Determination Letter and the Final Investigative Report. These documents are mailed to the Complainant and Respondent either on the same day or within 24 hours of each other. If there is no appeal, the finding in the Determination Letter and the Final Investigative Report stands as the final result of the DIEO process.

Right to Appeal

The Complainant and the Respondent have equal rights to appeal the results of the DIEO Investigation. These are submitted as appeals of the Determination Letter under one or more of the following circumstances:

- Additional relevant evidence has been discovered that the appealing party was not aware of during the investigation;
- Relevant facts, presented during the investigation, were not considered; and/or
- Witnesses, with relevant information whose names were given during the investigation, were not interviewed.

The Complainant or the Respondent electing to appeal the determination must appeal in writing within 30 calendar days from the date on the Determination Letter. Appeals must be submitted to the Office of the President. The President or Designee will review the information submitted and make an independent determination of whether or not the DIEO’s recommendations are supported. The appeal must include the reason for the appeal and be signed. The President or designee may grant a reasonable extension on a case-by-case basis upon written request by the appealing party. The standard of review used by the President or designee is whether it is more likely than not that a violation of USF System policies has occurred.
When the determination is appealed, the President or designee:

a) will review the information presented by the person appealing that meets the criteria for appellate submission;
b) will review the information gathered by the DIEO Office during the investigation;
c) may conduct or order any further investigation or discussion deemed necessary to reach a final decision on behalf of the university; and
d) makes a determination upholding or rejecting the finding in the Determination Letter and Final Investigative Report.

Once the appellate review has been completed, the President or designee will inform the Complainant, Respondent, USF President, Provost (if applicable), Office of General Counsel, the Complainant and Respondent’s immediate supervisors, Chair of the academic unit (if applicable) and the Dean of the College (if applicable) of his/her decision regarding the appeal. The decision made by the Office of the President is considered final.

Title IX Proceedings and Action

Incidents involving gender discrimination including, but not limited to, sexual harassment and sexual violence associated with our institutions’ educational programs or activities.

When sexual assault, dating violence, domestic violence, or gender-based stalking involves our students, employees, visitors, vendors, or other persons participating in our educational programs or activities, a federal law called Title IX is implicated. Title IX prohibits sex (gender) discrimination in any federally-funded education program or activity. The crimes of sexual assault, dating violence, domestic violence, and gender-based stalking fall under Title IX because these forms of sexual violence are types of sexual harassment, which is itself a form of gender discrimination.

Initial Review and Certification

The Title IX Coordinator is typically notified via one of the following modalities:

- Receipt of notification of referral involving Title IX from the Office of Student Rights and Responsibilities (OSRR).
- EthicsPoint, the USF System’s anonymous reporting hotline: http://www.ethicspoint.com
  - Emails
  - Calls
  - Walk-ins

In cases where a Responsible Employee is reporting an alleged incident, the Title IX Incident Report Form is the accepted notice to the Title IX Coordinator as a matter of concern and may also trigger action that results in the DIEO Review and Certification as well as Intake process. A “Responsible Employee” is a USF System employee who is required under Title IX to report incidents they become aware of which they believe may constitute sexual harassment, sexual violence, or gender discrimination. For a list of USF System employee positions that are considered “Responsible Employees” under Title IX and, therefore, must report such incidents, consult USF System Policy 0-004, Sexual Misconduct/ Sexual Harassment (including Sexual Violence): http://regulationspolicies.usf.edu/policies-and-procedures/pdfs/policy-0-004.pdf.

Once the DIEO Office has been made aware of an allegation of sexual misconduct including sexual harassment/violence, the Complainant is contacted by the Intake Coordinator, often the Senior Deputy or a Deputy Title IX Coordinator, and is offered an opportunity to speak with the Coordinator about the disclosure and possible allegation(s). During this meeting, the Intake Coordinator may provide a Title IX Information Session, determine jurisdiction, certify the allegation as falling within the purview of Title IX, and provide to the Complainant information on filing a complaint, about USF resources, and about their rights under Title IX.

Title IX Investigation

If the Complainant files a complaint with the DIEO Office, then the complaint is assigned to an Investigator for investigation. Generally, if the Complainant does not file a complaint with the DIEO Office, then an investigation of the allegation will not take place. However, depending on the specifics of the allegation, the DIEO Office may have an obligation to proceed with an investigation, regardless of a Complainant’s wishes, in order to ensure
campus safety. Complainants are not required to participate in the investigation, but if they choose not to, this may limit the university’s ability to respond to the incident.

If a Complainant requests their name or other identifying information not be used in an investigation, USF will consider their request in light of the context of its responsibility to provide a safe and nondiscriminatory environment. The confidentiality and privacy of all parties involved during the investigation process will be maintained to the fullest extent possible. However, the DIEO Office does not promise absolute confidentiality. Generally, information including the Complainant’s name may be shared with the Respondent and university officials who have a legitimate need to know.

The DIEO Office’s goal is to resolve claims of sexual misconduct, including sexual harassment/violence complaints within 60 days, but depending on the complexity of the case and any documented extenuating circumstances, which may include, but not be limited to, scheduled university breaks or unexpected closures of the university such as those due to weather, the investigation may take longer.

In most cases, the DIEO Office will not wait until a criminal case is resolved before proceeding with the investigation of a complaint. In cases where a police investigation has been conducted or is being conducted for sexual assaults, law enforcement may be able to provide information to the DIEO Office with the victim’s consent. USF’s fact-finding investigation may be delayed for a short period of time upon a request from law enforcement, but will be promptly resumed as soon as possible.

In the DIEO Office’s investigation process, the Complainant and the Respondent are not required to be present together at any point in the process and they are not permitted to directly question each other. Both the Complainant and the Respondent have the right to identify witnesses and provide other information relevant to the investigation. The DIEO Office decides the complaint based on a preponderance of the evidence standard (whether it is more likely than not that the conduct occurred). This standard of evidence differs from the criminal justice system’s standard of beyond reasonable doubt. It is important to understand that Title IX investigations occur independently of any criminal investigation, which are the purview of the criminal justice system and not our institution.

**Notification of Investigation Results and Outcomes**

The DIEO/Title IX Official simultaneously notifies both the Complainant and Respondent. Often, this includes offering the Complainant and the Respondent an appointment to receive and review the Final Investigative Report with a Title IX Office and it also includes sending (via email and/or USPS) to both the Complainant and the Respondent a copy of the Determination Letter and the Final Investigative Report. The documents are mailed to the Complainant and Respondent either on the same day or within 24 hours of each other. The Determination Letter states that either party has thirty (30) calendar days from the receipt of the letter to appeal the determination.

**Right to Appeal**

The Complainant and the Respondent have equal rights to appeal the results of the Title IX Investigation within thirty (30) calendar days from receipt of the Determination Letter. The appealing party sends their written appeal to the Office of the President. The Office of the President reviews the appeal and makes a determination if the appeal is substantiated or not. The individual in the Office of the President who has been designated to review the appeal will draft a written appeal decision which is then mailed or picked up by the appealing party. The appeal finding is the final determination of the university. The decision made by the Office of the President is considered final. If the appeal is not upheld, the matter is considered final and binding upon all involved.

**Confidentiality and Protective Measures**

**Protecting Confidentiality**

The USF System will protect the confidentiality of victims and other necessary parties in accordance with applicable federal and State of Florida laws. Our institution completes publicly available recordkeeping and, for purposes of Clery Act reporting and disclosure, without the inclusion of identifying information about the victim. All criminal reports are redacted per Florida Statute 119 and are reviewed by USF General Counsel prior to release to any requesting party not involved in the report.
Range of Protective Measures

Depending on the specifics of the incident and the victim’s wishes, the USF System can implement protective measures and other accommodations to victims of sexual assault, dating violence, domestic violence, and stalking, regardless of whether the victim is a student or employee. The USF System will maintain as confidential any such accommodations or protective measures provided to the victim, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures; and to the extent permissible under local, state, and federal law. It is important to understand that our institution makes such accommodations if the victim requests them and if they are reasonably available, regardless of whether the victim chooses to report the crime to campus police or local law enforcement.

Protective Measures for Students

For student victims, Complainants, or witnesses relating to an incident of sexual assault, domestic violence, dating violence, and stalking, the range of interim measures to stop, prevent, and remedy sexual harassment may include, but is not limited to, the following:

- Class changes;
- On-campus housing moves;
- Academic accommodation;
- No contact, non-retaliatory order or directive for the Respondent excluding or restricting them from all or portions of campus; and/or
- The Guardian “precautionary timer” for when travelling from one area of campus to another. The timer is set as you leave a location and cancelled through the app within a specified amount of time when you arrive at your destination. If the timer does not get canceled and expires, campus police will be alerted and provided with a physical location via GPS so that they may assist you. For more information about Guardian, read the Emergency Response section of this report.

Any protective measures made for student victims, Complainants, or witnesses will be designed to minimize the burden on their educational program while also ensuring that the university is mindful of the Respondent’s rights.

Protective Measures for Employees

For employee victims, Complainants, or witnesses relating to an incident of sexual assault, domestic violence, dating violence, and stalking, the range of interim measures to stop, prevent, and remedy sexual harassment may include, but is not limited to, the following:

- Changing the shift hours of the Respondent so it does not overlap with the Complainant;
- No contact, non-retaliatory order or directive for the Respondent excluding or restricting them from all or portions of campus;
- Changing the work environment in some other manner so the Complainant and Respondent do not have any workplace interaction;
- Placing the Respondent on administrative leave with pay pending the conclusion of the investigation; and/or
- The Guardian “precautionary timer” for when travelling from one area of campus to another. The timer is set as you leave a location and cancelled through the app within a specified amount of time when you arrive at your destination. If the timer does not get canceled and expires, campus police will be alerted and provided with a physical location via GPS so that they may assist you. For more information about Guardian, read the Emergency Response section of this report.

Any protective measures made for employee victims, Complainants, or witnesses will be designed to minimize the burden on their work setting while also ensuring that the university is mindful of the Respondent’s rights.

Protective Measures for the USF System Community

In addition to the interim measures for students and employees outlined above, the Title IX office is responsible for coordinating measures to address sexual assault, dating violence, domestic violence, and gender-based stalking across the USF System. Such measures include ongoing education and prevention training, awareness training, and the detailed and mandatory “Responsible Employee” training for all employees designated as “Responsible Employees” under the USF System Policy 0-004, Sexual Misconduct/Sexual Harassment.

FERPA and Institutional Disciplinary Action

Our procedures for institutional disciplinary action under the OSRR, DIEO, or Title IX processes do not constitute a violation of the Family Educational Rights and Privacy Act (20 U.S.C. 1232g).
Emergency Notification Procedures

Our institution has procedures in place to immediately initiate Emergency Notifications to the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on campus. “Confirmation” of a significant emergency or dangerous situation means that an institution official (or officials) has verified that a legitimate emergency or dangerous situation exists. Confirmation doesn’t necessarily mean that all of the pertinent details are known or even available at the time. “Immediate threat” means an imminent or impending threat, such as a tornado warning. Other examples of significant emergencies or dangerous situations include, but are not limited to, the following:

- Outbreaks of meningitis, norovirus, or other serious illness
- Gas leaks
- Armed intruders
- Bomb threats
- Nearby severe chemical or hazardous waste releases

Near-campus incidents which are confirmed to pose a significant emergency or dangerous situation to our campus community, such as those listed below, would also trigger our emergency notification procedures:

- A violent crime that constitutes an imminent threat to the campus community (including but not limited to homicide, sex offenses, robbery, aggravated assault, and aggravated battery); and
- Occurs within campus police jurisdiction, including the 1,000 ft. perimeter beyond our Clery-defined campus.

Our institution issues Emergency Notifications in accordance with the emergency response and evacuation procedures outlined in our Emergency Operations Plan (EOP). Each institution within the USF System has an EOP. Each EOP is written in accordance with the framework outlined in USF System Policy 6-010: USF System Emergency Management. This policy is available on the Office of the General Counsel’s website at: http://regulationspolicies.usf.edu/policies-and-procedures/pdfs/policy-6-010.pdf.

More information regarding the Emergency Notification System (ENS) can be found in USF System Policy 6-010: Emergency Management Policy available online via the Office of the General Counsel’s website at: http://regulationspolicies.usf.edu/policies-and-procedures/pdfs/policy-6-010.pdf.

Confirming Significant Emergencies or Dangerous Situations

There are multiple methods for members of the community to report an incident to university public safety officials; however, confirming whether or not a significant or dangerous situation exists is the responsibility of trained professionals in either campus police, Emergency Management (EM), Environmental Health and Safety, or Facilities Planning & Management (FPM).

For all campus law enforcement issues, the Campus Police Department will be primarily responsible for confirming a significant emergency or dangerous public safety situation on campus exists through information received by anonymous report; threat; or victim, witness, or officer observation.

For non-law enforcement situations, other departments may also confirm that a significant emergency exists including, but not limited to, departments in Facilities Planning & Management such as Emergency Management, and Campus Security. Confirmation of these hazards occurs through observation by public safety officials, witness statements, or alerts received by federal, state, or local agencies.
Determining Appropriate Segment(s) of the Campus Community to Notify

As soon as a significant emergency or dangerous situation has been confirmed, our institution will:

1) Take the safety of the campus community into account;
2) Determine what information to release about the situation; and
3) Begin the notification process.

Our institution would not immediately issue a notification for a confirmed significant emergency or dangerous situation if doing so would compromise efforts to:

- Assist a victim;
- Contain the emergency;
- Respond to the emergency; or
- Otherwise mitigate the emergency, e.g., not compromising efforts to mitigate an emergency might be agreeing to a request of local law enforcement or fire department officials.

The campus community will be notified when there is at least the potential that a very large segment of the community will be affected by a situation, or when a situation threatens the operation of the campus as a whole. If an emergency affects only a segment of the campus community, a more limited warning may be issued. For example, in the case of a hazardous release, the university may only notify individuals in the building where this occurred. There will be a continuing assessment of the situation and additional warnings will be issued as appropriate, based on the available information at the time the Emergency Notification is issued.

Determining the Content of Emergency Notifications

Our Emergency Notification procedures require emergency notifications issued by our institution to include information that will enable members of the campus community to take actions to protect themselves, including information about the following:

- Incident type;
- Incident location;
- Instructions on what actions to take; and
- Other safety information or tips, if necessary.

Initiating Emergency Notifications

During normal business hours, upon confirmation of a significant emergency or dangerous situation occurring on campus, involving an imminent threat to the health or safety of the campus community, either campus police or Emergency Management (EM) will initiate emergency notifications based on the recommendations of campus police or EM. In such instances, the MoBull messaging system, one of our emergency notification systems, will be activated. “Confirmation” means that a USF official (or officials) has verified that a legitimate emergency or dangerous situation exists. Confirmation does not necessarily mean that all of the pertinent details are known or even available at the time of notification.

In the event campus police or EM are able to initiate a MoBull message, authorized users in Information Technology, University Communications & Marketing, or the Office of the Vice President for Administrative Services may broadcast messages via MoBull. Initiating emergency notifications will occur as outlined in our institution’s EOP.

When the emergency notification system is activated, multiple systems are activated simultaneously. In addition to text messages through MoBull Messenger, desktop computers in labs and classrooms also receive notifications through our desktop alert system. In addition, there is a siren and loud speaker system that may also be used to reach those in open air spaces or within select buildings on campus. Our institution uses this spectrum of notification methods to reach large numbers of constituents as quickly and efficiently as possible.

A set of pre-scripted, pre-approved messages that address a wide range of possible emergencies is available within our emergency notification systems to allow the communications to be sent out without delay. In most cases, the standard pre-scripted messages will be able to address emergencies from initial communication to “all-clear.” For situations that require unique messaging or communication over an extended period of time, the Media/Public Affairs Team or, if activated, the Joint Information Center (JIC), may assume the responsibility for sending out communications using the system. The main website for each institution within the USF System will be utilized to provide situation updates and should be considered the best place for the campus community and general public to find the most thorough, accurate, and up-to-date information during an emergency.

After normal business hours, a confirmed significant emergency or dangerous situation involving an imminent threat to the health and safety of the campus community, campus police are responsible for sending emergency text messages through the MoBull system. In the event campus police are not able to initiate a MoBull message, authorized users in Technology Services, University Communications & Marketing (UCM) and Emergency Services may broadcast messages. Such emergency notifications will including information that will enable members of the university community to take actions to protect themselves, including information about the type of incident, location, and instructions on what actions to take, and other safety information or tips.

### Organizational Units Responsible for Emergency Notification Procedures

The following chart summarizes the types of significant emergencies and dangerous situations that each of these organizational units are responsible for confirming. It is important to note that activation of our Emergency Notification System (ENS) is greatly dependent on the scale and scope of the incident; not all occurrences of the hazards identified below will require ENS activation. While multiple departments are identified on the chart, it is only necessary for one department to confirm the emergency or dangerous situation exists.

The chart below summarizes organizational units with designated individuals responsible for, or authorized to, determine the appropriate segments of the campus community to receive a notification; determine the content of the notification; and initiate the notification. This is indicated in the below chart via the column headings Determine Notification Segment; Determine Notification Content; and Initiate Notification, respectively. Responsibility is determined based on the type of hazard (significant emergency or dangerous situation) facing our institution.

While multiple departments are identified on the below chart, it is only necessary for one of these organizational units to initiate each identified step in the Emergency Notification process.

Disseminating Emergency Information to the Larger Community

In the event of an emergency, the USFSM home page (http://usfsm.edu) will display emergency information. New information is posted as updates are provided by the appropriate responding public safety authority. The USFSM website is the best place to receive the most thorough, accurate, and up-to-date information during an emergency. Emergency alerts are also sent to members of the campus community via “MoBull” text messaging system, and on desktop computers in labs and classrooms. In addition, there is a loud speaker system that may also be used to reach those in open air places.

The university uses this spectrum of notification methods to reach large numbers of constituents as quickly and efficiently as possible. If an emergency affects only a segment of the campus community, a more limited warning may be issued. For example, in the case of a hazardous release, the university may only notify individuals in the building where this occurred. There will be a continuing assessment of the situation and additional warnings will be issued as appropriate.

Testing Emergency Notification, Response, and Evacuation Procedures

Our institution has procedures in place to test our emergency notification, response, and evacuation procedures on at least an annual basis. Such tests may be announced or unannounced. These tests are regularly scheduled, contain drills, exercises, and follow-through activities. “Drills” are activities that test a single procedural operation, e.g., an evacuation drill. “Exercises” are tests involving coordination of efforts, e.g., a test of the coordination of first responders, including police, firefighters, and emergency medical technicians. “Follow-through activities” are activities designed to review the test, e.g., a survey or interview to obtain feedback from participants. Our tests are designed to assess and evaluate our emergency plans and capabilities.

More information regarding tests of our Emergency Notification System (ENS), emergency response, and emergency evacuation procedures can be found in USF System Policy 6-025: Fire and Emergency Evacuation Drills available online via the Office of the General Counsel’s website at: http://regulationspolicies.usf.edu/policies-and-procedures/pdfs/policy-6-025.pdf.

Emergency Notification System Tests

The university tests its Emergency Notification System once per semester on a scheduled basis to ensure that all components are operational and that our policies and plans accurately dictate the procedures utilized. Tests of the Emergency Notification System are coordinated with Facilities Planning & Management, Emergency Management, campus police, University Communications & Marketing, Information Technology, and appropriate university administration.

During these scheduled tests, the following emergency notification system components are activated by campus police, Facilities Planning & Management, or USF Emergency Management:

• MoBull Messenger
• Website
• Digital Displays
• Desktop Alerts
• Outdoor and Indoor Alert Systems (sirens and alert beacons)

All tests of the Emergency Notification System are announced and are communicated to the university community through the MyUSF web portal (available to all students, faculty, and staff); the Inside USF newsletter (available to faculty and staff); and the USF calendar (publicly available).

Emergency Response Procedures Tests

Our institution tests its emergency response procedures at least annually to ensure that our institution’s plans and procedures are viable and to allow our institution and partner public safety officials an opportunity to practice responding to various emergencies and dangerous situations. These tests are coordinated
by Emergency Management and key departments on campus responsible for responding to or facilitating response and recovery operations after an incident.

Our emergency response procedures tests are scheduled and contain drills and exercises. These tests follow the Homeland Security Exercise and Evaluation Program (HSEEP) guidelines.

More information about our emergency response procedures and their testing can be found on the Emergency Management website: http://usf.edu/emergencymanagement, within each USF System institutions’ EOP, and Emergency Situation Protective Actions placards and posters within each classroom on our campus.

**Emergency Evacuation Procedures Tests**

In accordance with USF System Policy 6-025: Fire and Emergency Evacuation Drills, the USF System has procedures in place to ensure the safe, timely, and orderly evacuation of building occupants during an actual fire or other building emergency. Per Florida Fire Prevention Code, Florida Statute 633.0215, and the referenced USF System policy, our institution is required to test its evacuation procedures on an annual basis. However, in practice, our evacuation procedures are tested on a per semester basis for on-campus residential buildings and annually, at a minimum, for applicable non-residential buildings.

Integral components of USF System policy and associated procedures include the following:

- All fire and emergency evacuation drills are unannounced in practice, excluding notification of vested parties required to coordinate drill activities, e.g., Residence Life Coordinators, Resident Assistants, Facility Managers, etc. are typically notified prior to a drill.
- All occupants must evacuate when alarms are sounded or when authorities initiate an evacuation order. Occupants with disabilities, who cannot independently evacuate, must evacuate to the nearest area of rescue/refuge, typically a stairwell landing.
- All occupants of high hazard buildings must participate in the fire drill.

USF System Policy 6-025 requires a multi-disciplinary approach for the effective implementation and maintenance of emergency evacuation procedures for the USF System. The following organizational units are responsible for implementing and maintaining these procedures:

- Environmental Health & Safety;
- Campus Police;
- Campus Security;
- College/Division Heads; and
- Facilities Planning & Management.

These units work together on the following:

- Policy maintenance, updates, and communication;
- Training (providing or receiving);
- Drill coordination activities;
- Drill evaluation; and
- Process improvement identification or implementation.

Communicating Our Emergency Response and Evacuation Procedures

USF System Environmental Health & Safety (EH&S) provides training to USF System employees and students regarding our emergency response and evacuation procedures as part of orientation. Emergency response and evacuation information is included in the Student Handbook provided to each student at the initiation of each semester. Environmental Health & Safety (EH&S) provides fire safety training, including evacuation procedures training, based on USF System Policy 6-025: *Fire and Emergency Evacuation Drills* to USF staff employees on a biennial basis as well as per request to additional USF System organizational units.

Documenting Tests of Our Emergency Notification, Response, and Evacuation Procedures

For each test of our emergency notification, response, and evacuation procedures conducted by our institution, the following is documented pursuant to Clery Act requirements:

- A description of the exercise, i.e., the test;
- The date the test was held;
- The time the test started and ended; and
- Whether the test was announced or unannounced.

Emergency Evacuation Procedures

Preparation is essential: Determine in advance the nearest exit from your work location and the route you shall follow to reach that exit in an emergency. Emergency evacuation signage is posted in buildings. Building occupants should become familiar with evacuation routes that do not require elevator access and assembly points outside of the building. Establish an alternate route to be used in the event your route is blocked or unsafe. Never assume that an alarm is a drill – treat all alarm activations as actual emergencies.

**How to Evacuate During an Emergency**

1) Exit the building as soon as possible via the nearest exit.
2) Do not use elevators to exit the building during an evacuation as they may become inoperable.
3) Walk, do not run. Don’t push or crowd.
4) If unable to evacuate due to a disability, shelter in the area of rescue/refuge, typically a stairwell landing, and wait for assistance from emergency responders.
5) Keep noise to a minimum so you can hear emergency instructions.
6) Use handrails in stairwells; stay to the right.
7) Follow instructions from emergency personnel.
8) Move quickly away from the building to your assembly point* unless otherwise instructed.
9) If possible, go to a grassy area and keep roadways and walkways clear for emergency vehicles.
10) Do not return until notified by emergency personnel that it is safe to do so.

*Assembly Points: Emergency assembly points are areas of campus that are uphill and upwind from the hazard, away from power lines, falling debris, and other hazards where persons can assemble to be accounted for, be provided minor first aid, receive further instructions, and obtain information. This is the first place to go until other areas and buildings on campus can be evaluated for safety and possible occupancy.

How to Shelter in Place

During certain emergency situations, particularly chemical, biological, or radioactive material releases, some weather emergencies, or the threat of imminent danger, you may be directed to “Shelter in Place” rather than evacuate the building.

Depending on the type of emergency situation, directions to shelter in place may be sent using a variety of communication tools, including: siren/loudspeaker system, MoBull Messenger, and/or digital screens.

1) Stay inside the building or find a safe place.
2) If you are in a room with a door, make sure the door is closed.
3) In various campus buildings doors may lock manually, remotely or not at all. If applicable and time permits, lock doors.
4) If you are in a room with a window, make sure the window is closed and remain clear of the window.
5) Remain where you are until further direction from emergency personnel.

Always follow all directions provided by emergency response personnel.

**Fire Alarm Procedures**

The general USF System Fire and Emergency Evacuation procedures are as follows:

- Immediately evacuate the building via the nearest exit when the fire alarm is activated.
- If unable to evacuate due to a disability, shelter in the area of rescue/refuge, typically a stairwell landing, and wait for assistance from drill volunteers or emergency responders.
- Instruct visitors and students to evacuate and assist them in locating the nearest exit.
- Do not use elevators to exit the building during an evacuation as they may become inoperable.
- Carry only those personal belongings that are within the immediate vicinity.
- Close doors to limit the potential spread of smoke and fire.
- Terminate all hazardous operations and power off equipment.
- Close all hazardous materials containers.

- Remain outside of the building until the building is released for re-entry.
- Do not restrict or impede the evacuation.
- Convene in the designated grassy gathering area and await instruction from emergency responders or drill volunteers.
- Avoid parking lots.
- Report fire alarm deficiencies, (e.g., trouble hearing the alarm) to facilities personnel for repair.
- Notify evacuation drill volunteers or emergency responders of persons sheltering in the areas of rescue/refuge.
- Never assume that an alarm is a “false alarm.” Treat all fire alarm activations as emergencies and evacuate the building.

More information regarding fire and emergency evacuation procedures (e.g., USF System High Hazard Buildings and USF Fire Drill Relocation Areas) can be found on the USF Environmental Health & Safety website at the following locations:

APPENDIX A

USF Tampa Police Department Jurisdiction Map
**Aggravated Assault**  
An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

**Arson**  
Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling, house, public building, motor vehicle or aircraft, personal property of another, etc.

*Note: Do not classify fires of suspicious or unknown origin.*

**Burglary**  
The unlawful entry of a structure or conveyance to intent to commit a crime therein.

**Business Day**  
Monday through Friday, excluding any day when the institution is closed.

**Campus**  
1) Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to the institutions education purposes, including residence halls and (2) any building or property that is within or reasonably contiguous to the area identified in paragraph (1) of this definition that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes (such as a food or other retail vendor).

**Campus security authority**  
There are four types of individuals or organizations that are considered a CSA under the Clery Act:

1) A campus police department or a campus security department of an institution.

2) Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department under paragraph (1) of this definition, such as an individual who is responsible for monitoring entrance into institutional property.

3) Any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.

4) An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline, and campus judicial
proceedings. If such an official is a pastoral or professional counselor as defined below, the official is not considered a campus security authority when acting as a pastoral or professional counselor.

**Clery Geography**

Clery crime and incident statistics are reported according to the following _Clery Act_-defined geographical categories: on campus; on-campus residential; non-campus building or property; and public property.

The definitions of these geographies under the _Clery Act_ are provided below. Consult APPENDIX C for a map of the Clery Geography for each institution within the USF System.

**On Campus**

The **on-campus** category of Clery Geography encompasses the following:

Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to the institution’s education purposes, including residence halls; and

Any building or property that is within or reasonably contiguous to the area identified in the above paragraph that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes (such as a food or other retail vendor).

**On-Campus Residential: A Subset of On-Campus**

Under the Clery Act, an institution that has on-campus student housing facilities must separately disclose two sets of on-campus statistics:

- The total number of crimes that occurred on campus, including crimes that occurred in student housing facilities (“on-campus”); and
- The number of crimes that occurred in on-campus student housing facilities as a subset of the total (“on-campus residential”).

Under the Clery Act, a **student housing facility that is owned or controlled by the institution, or is located on property that is owned or controlled by the institution, and is within the reasonably contiguous geographic area that makes up the campus is considered an on-campus student housing facility.**

Under State of Florida Statutes, **dating violence** is defined as follows: |
| Violence between individuals who have or have had a continuing and significant relationship of a romantic or intimate nature. The existence of such a relationship shall be |
determined based on the consideration of the following factors:

1. A dating relationship must have existed within the past 6 months;
2. The nature of the relationship must have been characterized by the expectation of affection or sexual involvement between the parties; and
3. The frequency and type of interaction between the persons involved in the relationship must have included that the persons have been involved over time and on a continuous basis during the course of the relationship.

**Destruction or Damage or Vandalism of Property**

To willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it. Crime is only reported if it was motivated, in whole or in part, by the offender’s bias.

**Domestic Violence**

Under the Clery Act, domestic violence is defined as follows:

1. A felony or misdemeanor crime of violence committed--
   (i) By a current or former spouse or intimate partner of the victim;
   (ii) By a person with whom the victim shares a child in common;
   (iii) By a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner;
   (iv) By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred, or
   (v) By any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

2. For the purposes of complying with the requirements of this section and section 668.41, any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

Under State of Florida Statutes, **domestic violence** is defined as follows:

Any assault, aggravated assault, battery, aggravated battery, sexual assault, sexual battery, stalking, aggravated stalking, kidnapping, false imprisonment, or any criminal offense resulting in physical injury or death of one family or household member by another family or household member. “Family or household member” means spouses, former spouses, persons related by blood or marriage, persons who are presently residing...

follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property.

(ii) *Substantial emotional distress* means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

(iii) *Reasonable person* means a reasonable person under similar circumstances and with similar identities to the victim.

Under State of Florida Statutes, **stalking** is defined as follows: A person who willfully, maliciously, and repeatedly follows, harasses, or cyberstalking another person commits the offense of stalking.

- “Harass” means to engage in a course of conduct directed at a specific person which causes substantial emotional distress to that person and serves no legitimate purpose.

- “Cyberstalk” means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose.

| Test | Regularly scheduled drills, exercises, and appropriate follow-through activities, designed for assessment and evaluation of emergency plans and capabilities. |

**Crime and Incident Definitions Sources:**

Under the Clery Act, counting and disclosing statistics for criminal offenses, hate crimes, arrests, and referrals for disciplinary action is done based on definitions provided by the Federal Bureau of Investigation’s (FBI’s) Uniform Crime Reporting (UCR) Program. The definitions for **Murder, Rape, Robbery, Aggravated Assault, Burglary, Motor Vehicle Theft, Arson, Weapons Carrying, Possessing, Etc. Law Violations, Drug Abuse Violations, and Liquor Law Violations** are from the Summary Reporting System (SRS) User Manual from the FBI’s UCR Program. The definitions of **Fondling, Incest and Statutory Rape** are from the FBI’s National Incident-Based Reporting System (NIBRS) Data Collection Guidelines edition of the UCR. **Hate Crimes** are classified according to the FBI’s Uniform Crime Reporting Hate Crime Data Collection Guidelines and Training Manual. Note that, although the law states that institutions must use the UCR Program definitions, Clery Act crime reporting does not have to meet all of the other UCR Program standards.
For the categories of Domestic Violence, Dating Violence and Stalking, the Clery Act specifies that our institution must use the definitions provided by the Violence Against Women Act of 1994 and repeated in the Department’s Clery Act regulations [34 CFR 668.46(c)(6)(A)(i)] for statistical report.

NOTE OF NONDISCRIMINATION
Pursuant to Title IX, the University does not discriminate on the basis of sex in educational programs or activities that it operates. Such protection extends to both employees and students. Any questions or inquiries concerning Title IX, policies, procedures, or the application of Title IX at the University may be referred to the Title IX Coordinator, Senior Deputy Title IX Coordinator, or to any of the University’s Deputy Title IX Coordinators. The most up-to-date information regarding Title IX and other University resources are available on the Office of Diversity, Inclusion, and Equal Opportunity’s website at www.usf.edu/Diversity. When appropriate, the University will take steps to prevent the recurrence of harassment, including sexual violence, and to correct any discriminatory effects of harassment on the complainant and others.
If you are the victim of a crime, the University of South Florida is ready to assist you in the manner that you determine is best for you. If you desire confidentiality, there are campus and community resources that will respect that decision. Review the potential paths below then decide how to proceed.

2  University of South Florida
INTRODUCTION

This guide is for USF-Tampa students and employees who experience rape or other sexual violence, sexual harassment, relationship or dating violence, domestic violence, and stalking.

In the immediate aftermath of any of the above interpersonal crimes or situations, victims often are confused and shocked, and may not know what to do, whom to tell, or where to seek help. Victims are often concerned about their privacy and safety.

This guide is intended to provide information that will assist USF Tampa student and employee victims to understand their options and resources in the event of any of these interpersonal crimes or situations.

IMPORTANT! If in imminent danger from the abuser, call 911.

Due to the potential for increased risk, victims of intimate partner violence (domestic, relationship or dating violence) and stalking are urged to consult confidentially with a victim advocate at USF’s Center for Victim Advocacy & Violence Prevention (VAVP) (see Resources, page 16) for an individualized risk assessment, safety planning and exploration of options. The advocate will help you pursue any reporting options you choose, as safely as possible.

* There are different terms used by different states to refer to sex crimes, such as sexual assault, rape, sexual violence or, as in Florida, sexual battery. In this guide, we will refer to these crimes generically as “sexual assault,” since that is the term most commonly used.
REATIONS TO VICTIMIZATION

Initially you may react to victimization with shock, disbelief, or denial. You may do your best to try to forget and just go on with your life. Perhaps you believe that being strong means trying to recover on your own and not asking for help. This approach may work for a while, but most of us are not prepared for the disruption to our daily lives that traumatic events often bring. You may experience one or more of the following involuntary reactions, which are expected reactions to trauma:

- Sleep disturbances and/or nightmares
- Changes in eating behavior: loss of appetite, overeating, nausea
- Inability to concentrate or focus
- Constantly thinking about or visualizing the traumatic event
- Hypervigilence and increased startle reaction
- Emotional outbursts of crying or anger
- Irritability
- Feeling numb
- Loss of interest in school, work or usual activities
- Inability to push yourself to attend class or work, resulting in unexcused absences
- Flashbacks in which you re-experience sensory moments from the incident

As stated above, these are expected, involuntary reactions over which you do not have initial control. As unpleasant as these reactions are to endure, they are biochemically triggered as your brain attempts to process the trauma.

Additionally, most often, the offender is someone you know. If this is true for you, you may:

- Feel betrayed because you trusted this person
- Have difficulty trusting others
- Blame yourself for trusting the offender
- Be grieving the loss of the friendship or relationship in addition to coping with the violence and betrayal

Remember that trust is a good thing – betrayal of trust is not. Learning to trust again is part of your healing process; take your time.

Advocates at USF’s Center for Victim Advocacy & Violence Prevention (VAVP) provide trauma-informed care and can help you to understand your reactions and feelings in relation to what has happened to you [see Resources, page 18]. USF’s Counseling Center is also a resource for helping you understand and cope. If you find your academic success or employment negatively affected, VAVP can advocate to remedy problems in academics and employment due to victimization.
VICTIM DISCLOSURE, EMPLOYEE OBLIGATION TO REPORT, AND CONFIDENTIALITY

USF encourages victims of sexual assault or harassment, relationship or dating violence, domestic violence, and stalking to talk about the incident or situation with someone they trust to receive needed support and to allow the university to respond appropriately.

Confidential Campus Resources
Employees of the following campus resources can provide confidential support and services to you and are not required to report disclosures of sexual assault or harassment, relationship or dating violence, domestic violence, and stalking:

- VAVP
- Counseling Center
- Student Health Services

You can seek assistance from employees of these services without triggering an investigation, unless you wish the incident to be investigated. The only exceptions to this confidentiality are the following circumstances which require employees to report a situation to authorities:

- when child abuse is involved
- when there is the potential of imminent harm to self or others
- when a student victim is under the age of 18.

Employees Who Must Report Disclosures
With the exception of those USF employees of the departments indicated above, certain other employees are obligated to report disclosures of sexual assault or harassment, relationship or dating violence, domestic violence, and stalking by students or employees to either the Office of Student Rights and Responsibilities (OSSR) or the Office of Diversity, Inclusion & Equal Opportunity (DIEO), depending on whether the offense was committed by a student or employee.

Once reported to one of these offices, OSSR or DIEO will proceed with a non-criminal investigation of the incident immediately and appropriately in order for USF to resolve the situation promptly and fairly. During the investigation, although confidentiality cannot be guaranteed, the privacy of all parties involved will be maintained as much as possible, and information will be shared only with those with a legitimate need to know.

continued
Employees who are mandated to report include:

- Employees who supervise other employees
- All faculty
- Employees who supervise or oversee students
  - Resident Assistants (RAs)
  - Academic advisors
  - Faculty advisors
  - Program advisors
  - Student activity coordinators
  - Graduate assistants
- University Police Department

**If the Incident Was Reported Against Your Wishes**

As discussed above, for purposes of campus safety, certain employees of USF are required to report instances of sexual assault or harassment, relationship or dating violence, domestic violence and stalking that come to their attention.

Sometimes well-intentioned friends or family members of a victim may contact law enforcement or other officials to report the incident or situation, even when the victim does not wish others to know.

Since the reporting of a crime or situation of misconduct against the wishes of the victim can be disempowering and may be hurtful to the victim, VAVP will provide an advocate who will explain your rights under these circumstances and ensure that your privacy and wishes are considered by those responsible for the investigation.

*USF cannot require you, as a victim, to participate in any investigation or misconduct proceeding against your will.*

For more information about the reporting obligations of USF employees, please refer to *USF System Policy 0-004: Sexual Misconduct/Sexual Harassment (including Battery)* at [http://generalcounsel.usf.edu/policies-and-procedures/pdfs/policy-0-004.pdf](http://generalcounsel.usf.edu/policies-and-procedures/pdfs/policy-0-004.pdf)
REPORTING OPTIONS FOR VICTIMS

Depending on the circumstances of your situation, you have a number of options if you wish to report what has happened to you:

- Report to law enforcement
- File a Title IX complaint with any of the university’s Title IX Coordinators or visit the university’s DIEO (see Resources, page 17)
- Report student misconduct through the OSRR (see Resources, page 17)
- Report employee misconduct through the university’s DIEO (http://usfweb2.usf.edu/eoa)
- Choose not to report

If you are hesitant to report sexual assault because of underage drinking or illegal substance use, please be aware of USF’s Medical Amnesty (Student Reporting) Policy 30-004, which encourages the reporting of sexual assault in such circumstances and protects the victim from misconduct sanctions (http://generalcounsel.usf.edu/policies-and-procedures/pdfs/policy-30-004.pdf).

If you believe you are in danger, dial 911 immediately.

Reporting a Crime to Law Enforcement

For criminal offenses such as sexual assault, stalking, domestic violence, relationship or dating violence, a report should be made to the law enforcement agency having jurisdiction over the location of the incident:

- Campus: University Police Department (UP)
- City of Tampa: Tampa Police Department
- Temple Terrace: Temple Terrace Police Department
- Unincorporated Hillsborough County: Hillsborough County Sheriff Department

You may contact the appropriate law enforcement agency directly or you may contact VAVP to assist you in making the report. The benefits of using a USF advocate include:

- An advocate is on-call 24/7, including weekends and holidays, to respond in person to victims reporting a violent crime.
- An advocate can help you determine the jurisdiction.
- An advocate can accompany you to make the report, if you wish.
- The advocate can continue to assist you throughout the investigation.
- If the case results in court proceedings, the advocate can continue to support you throughout the legal process.

continued
APPENDIX F
Guide for victims of sexual assault, domestic violence, dating violence, and stalking

UP has a well-deserved reputation for providing a sensitive response to victims of crime. When you contact UP, you will be offered the services of an advocate from VAVP. Be aware that once a report has been made to UP, they must investigate the crime.

When you contact off-campus law enforcement agencies, you typically will not be offered an advocate. It is strongly recommended that you contact VAVP for accompaniment and advocacy through the reporting process.

Sexual Assault

If you are sexually assaulted, the following information will help guide you in reporting the assault:

- Do not go to a hospital emergency room unless you have physical injuries requiring immediate medical attention.
- Forensic medical exams (“rape kits”) are not performed at hospitals in Hillsborough County/Tampa but rather by Sexual Assault Nurse Examiners as a service of the Crisis Center of Tampa Bay.
- Exams can be performed up to 120 hours after the sexual assault and are requested by law enforcement as part of the reporting process.

- Preserve evidence as much as possible until it is collected.
  - Avoid bathing or showering, urinating, eating or drinking (if oral-genital contact occurred during the assault), washing clothes worn during the assault, or washing bedding or towels that were part of the incident.
  - Save all communications to or from the offender or witnesses via voice mail, text, social media or email about the incident.
  - Even if you did not preserve evidence, you may still report the crime.

- Call 911 to report the sexual assault or contact USF’s VAVP for an advocate to assist you in reporting. A police officer or sheriff’s deputy will respond and take an initial report from you. The officer will contact the Sexual Assault Services of the Crisis Center of Tampa Bay to initiate the forensic exam process.

- The forensic exam process can be distressing, although every effort will be made to make you as comfortable as possible.
  - You may want a friend or family member and/or your advocate from VAVP to accompany you to the off-campus location for the exam.
  - If you choose not to have a USF advocate accompany you, the Crisis Center of Tampa Bay will have an advocate present to assist you.

- A detective/investigator may interview you at the time you make the report and/or in the days following your initial report. Your advocate can accompany you to the interview(s), if you choose.
APPENDIX F

Guide for victims of sexual assault, domestic violence, dating violence, and stalking

- Your advocate will provide safety planning, help you determine your immediate needs, and assist you in obtaining changes or accommodations in such areas as:
  - Housing and relocation
  - Academics
  - Transportation
  - Work
  - Injunction for Protection ("restraining order") – used to restrict offender’s contact with you (see pg. 10 for more information)

- The State Attorney’s Office in the jurisdiction where the crime occurred has the authority to prosecute crimes when there is enough evidence to pursue the case. The decision to prosecute is made by the prosecutor on behalf of the State of Florida.

Stalking and/or Domestic, Relationship and Dating Violence
Due to the increased risk of danger, victims of these types of crime are urged to consult confidentially with a victim advocate at VAVP for an individualized risk assessment, safety planning and exploration of options. The advocate will help you pursue any reporting options you choose, as safely as possible.

- Seek medical care, if needed.
  - Hospital emergency room
  - Student Health Services
  - Other medical provider of your choice
  - A victim advocate can accompany you or meet you at the facility if you wish

- Preserve evidence as much as possible.
  - Leave damage to property or dwelling as is for law enforcement to document; avoid changing or washing clothing that may be torn or contain blood evidence; make sure that bruises and other injuries are photographed by police, medical caregivers, or, as a last resort, a friend or relative.
  - Save communications to or from the offender or witnesses via voice mail, text, social media or email about the incident.

- Even if you did not preserve evidence, you may still report the crime.

- Call 911 to report the incident or contact USF’s VAVP for an advocate to assist you in reporting. A police officer or sheriff’s deputy will respond and take an initial report from you.

If you believe you are in danger, dial 911 immediately.
• If UP is contacted, they will offer to contact an advocate from VAVP to assist you during and after taking the report.

• A detective/investigator may interview you at the time you make the report and/or in the days following your initial report. Your advocate can accompany you if you choose.

• Your advocate will provide safety planning, help you determine your immediate needs, and assist you in obtaining changes or accommodations in such areas as:
  • Housing and relocation
  • Safe emergency shelter
  • Academics
  • Transportation
  • Work
  • Legal aid
  • Injunction for Protection

• The State Attorney’s Office in the jurisdiction where the crime occurred has the authority to prosecute crimes when there is enough evidence to pursue the case. The decision to prosecute is made by the prosecutor on behalf of the State of Florida.

**Injunctions for Protection**

Injunctions for Protection are referred to as “restraining orders” or “orders for protection” in some states. You do not have to report the crime in order to request an Injunction for Protection. The intention of an Injunction for Protection is to restrict the access of the offender to the victim, allowing the victim to avoid contact with the offender. Some offenders will abide by the terms of the injunction; however, others will not. For this reason, Injunctions for Protection, when granted, are not guarantees of safety.

The process for requesting an Injunction for Protection is complex:

• Requires you (the “petitioner”) to complete the correct form
• Requires very specific, detailed information
• Can be denied based on wrong form or omission of details

To increase the chances of a successful petition, ask an advocate from VAVP to assist you with the documentation and filing. Attending the petition hearing and having to testify can be confusing and frightening, but you do not have to handle this alone. Your advocate can guide you through the process and accompany you to court hearings for the injunction.
Reporting Sexual Discrimination, Harassment or Assault Under Title IX

Due to the increased risk of danger, victims of intimate partner violence (domestic violence, relationship or dating violence) and stalking are urged to consult confidentially with a victim advocate at VAVP for an individualized risk assessment, safety planning and exploration of options prior to filing non-criminal complaints. The advocate will help you pursue any reporting options you choose, as safely as possible.

Title IX protects people from sex discrimination in educational programs and activities at institutions that receive federal financial assistance (20 U.S.C. § 1681). Title IX applies to USF programs and activities, as related both to education and employment. USF is committed to providing an environment free from sex discrimination, including sexual harassment and sexual assault. See the USF System Policy 0-004 Sexual Misconduct/ Sex Harassment available at http://generalcounsel.usf.edu/policies-and-procedures/pdfs/policy-0-004.pdf.

The following are your options for filing a Title IX complaint:

- Contact a Title IX Deputy Coordinator (see Resources, page 17)
- Make an anonymous complaint via EthicsPoint, USF’s third party hosted hotline, by calling 866-974-8411 or online at https://secure.ethicspoint.com/domain/media/en/gui/14773/index.html
- Request an advocate from USF’s VAVP to assist you in filing a complaint.

Title IX also prohibits retaliation against anyone who, in good faith, has made allegations of sexual assault or who has testified, assisted, or participated in any investigation, proceeding, or hearing related to Title IX. If you believe that you have experienced retaliation, contact the investigator for your Title IX complaint, your victim advocate, a Title IX Deputy Coordinator, or UP.

Misconduct by a Student

You may wish to make a complaint of sexual or other misconduct by a student, which will result in a non-criminal investigation. Information about this option and a complaint form is available on the OSRR website at sa.usf.edu/srr. You can also contact the OSSR directly (see Resources, page 17) or request the assistance of an advocate from VAVP. To explore this option confidentially, you may contact VAVP.

Be aware that OSRR must investigate misconduct once they have knowledge that sexual assault or harassment; domestic, dating or relationship violence; or stalking may have occurred.

continued
If you do not already have an advocate, OSSR will offer you the assistance of an advocate from VAVP, who can provide support throughout the entire process and accompany you to any hearings.

**Misconduct by an Employee**
You may wish to make a complaint of misconduct by a faculty or staff member at USF, which will result in a non-criminal investigation. Information about this option and the necessary forms are available on the DIEO website at http://usfweb2.usf.edu/eoa. You can also contact the DIEO directly (see Resources, page 17). To explore this option confidentially, you may contact VAVP.

Be aware that DIEO must investigate misconduct once they have knowledge that sexual assault or harassment; domestic, dating or relationship violence; or stalking may have occurred.

If you do not already have an advocate, DIEO will offer you the assistance of an advocate from VAVP, who can provide support throughout the entire process and accompany you to any hearings.
IF YOU DO NOT WISH TO REPORT OR ARE UNCERTAIN ABOUT REPORTING THE INCIDENT

If you do not wish to report sexual assault, stalking, or other interpersonal crime, USF offers the confidentiality and services of VAVP, the Counseling Center and Student Health Services to you (see Resources, page 16).

VAVP specializes in these situations and offers you the most complete support including:

- Crisis intervention
- Risk assessment
- In-depth exploration of options
- Safety planning
- Ongoing support
- Advocacy for issues resulting from the impact of the incident
  - Housing and relocation
  - Academics
  - Transportation
  - Work
  - Legal aid
  - Injunction for Protection filing assistance

An advocate will not pressure you to do anything you do not want to do, but will help you explore your options and support your decisions.

Non-Reported Incidents of Sexual Assault

Please seek medical attention as soon as possible following a sexual assault, especially if penetration or oral-genital contact occurred. An advocate from VAVP can assist you regarding options for addressing medical needs.

You may choose to undergo a forensic medical exam for evidence collection without filing a police report. Evidence can be collected and stored for up to one year, allowing you time to decide whether or not to report the incident to law enforcement. Your advocate can arrange this exam for you and accompany you to the off-campus location at the Crisis Center of Tampa Bay.

- Exam can be performed up to 120 hours after the incident.
- You can receive medications for STI prevention and pregnancy prevention.
- Exam and medications are free of charge.

For more information about this option, please contact VAVP. You may also contact the Sexual Assault Services at the Crisis Center of Tampa Bay (see Resources, page 18).
Non-Reported Situations of Domestic, Relationship and Dating Violence and Stalking

If you have been physically injured, please seek medical attention as soon as possible. An advocate from VAVP can assist you regarding options for addressing medical needs and can accompany you if you wish.

This type of violence, which involves individuals in an intimate or pre-intimate relationship, rarely occurs in isolation and is likely to occur multiple times, keeping the victim in a situation of ongoing danger.

VAVP strongly encourages you to contact us for individualized, confidential risk assessment and safety planning. We will not pressure you to leave the abuser but will help you make informed choices regarding your safety and will provide you with the same services that are provided to those who choose to report.

Guide for victims of sexual assault, domestic violence, dating violence, and stalking

LGBTQ STATEMENT

USF strives to promote the safety and well-being of all students and employees. The information in this guide is applicable to students and employees regardless of their sexual orientation, gender identity, or gender expression. VAVP is aware that anyone who is perceived as not conforming to traditional sex and gender stereotypes may be targeted for sexual harassment or assault, and/or hate crimes. In addition, interpersonal violence may occur in same-sex relationships.

In VAVP, we enjoy diversity among our staff. All advocates are certified as LGBTQ allies through the USF Safe Zone Ally training program.

DISABILITY STATEMENT

USF strives to promote the safety and well-being of all students and employees. The information in this guide is applicable to students and employees regardless of their disability status. VAVP is aware that persons with disabilities may be targets of crime, abuse or harassment, and our advocates are committed to providing accessible and available services.

For reasonable accommodations, please contact us at 813-974-5756 (FL Relay 711) and/or va@usf.edu.

OFF CAMPUS RESOURCES

Crisis Center of Tampa Bay (Sexual Assault Services)
The Sexual Assault Services unit at the Crisis Center of Tampa Bay provides victim advocacy for the larger Hillsborough County community, and is Hillsborough County's authorized location for forensic evaluations and treatment, often referred to as "rape kit exams." The exams are performed by Sexual Assault Nurse Examiners (SANE) who are Advanced Registered Nurse Practitioners specifically trained to collect evidence from victims of sexual assault. Forensic exams for sexual assault victims from USF-Tampa receive that service free of charge through this program. For more information on forensic exams, see page 8.

INTRODUCTION

The University of South Florida System (USF) community strives to provide work and study environments for faculty, staff, students, and visitors that are free of discrimination and sexual misconduct, including sexual harassment. As part of the effort to maintain an environment that is comfortable for all people, the USF System established The Sexual Misconduct/Sexual Harassment (Including Battery) Policy Number 0-004 (http://regulationspolicies.usf.edu/regulations-and-policies/regulations-policies-procedures.asp).

USF is committed to maintaining a positive working, learning, and living environment and will not tolerate acts of sexual harassment, sexual violence, or related retaliation against or by any employee, student, or visitor. When sexual harassment or sexual violence has occurred, and is brought to the attention of USF, the University will take steps to end the harassment or violence, prevent its reoccurrence, and address its effects.

The USF Guide Regarding Sexual Harassment Under Title IX provides an overview of USF’s policy, the complaint, reporting and review process, and resources available for the involved parties.

USF regulations directly provide process and guidance for the University community and are the controlling documents with regard to the issues regarding Sexual Harassment and Violence. USF regulations may be found online for Sexual Misconduct/Sexual Harassment at www.regulationspolicies.usf.edu/policies-and-procedures/pdfs/policy-0-004.pdf and for the Student Conduct Code at www.regulationspolicies.usf.edu/regulations/pdfs/regulation-usf6.0021.pdf.

This guide is meant to be more user friendly and illustrative, however, it is not meant to establish policy.
WHAT IS SEXUAL HARASSMENT

Sexual Harassment is any verbal or physical conduct that unreasonably interferes with an individual’s work or academic performance or creates an intimidating or hostile work or educational environment AND is determined to be gender-based or sexual in nature. Harassment can include “sexual harassment” (or unwelcome sexual advances), requests for sexual favors, and other verbal or physical harassment of a sexual nature. The Complainant (or the person commonly known as the “victim”) and the Respondent (or the person deemed to be the alleged “harasser”) can be either a woman or a man; they may be of the same sex (www.eeoc.gov/laws/types/sexual_harassment.cfm).

Here are examples of sexual harassment:

- An instructor suggests that a higher grade be given to a student if the student submits to sexual advances
- A supervisor implicitly or explicitly threatens termination or a poor performance review if a subordinate refuses the supervisor’s sexual advances
- A student repeatedly follows an instructor around campus and sends sexually explicit messages to the instructor’s voicemail, email, or cell phone
- A student, employee, or authorized visitor or campus vendor touches in an unwelcome, sexual manner without consent
- A student, employee, or authorized visitor or campus vendor repeatedly makes unwelcome comments that may be of or have an implicit sexual nature in person, on the phone, or in any other way
- A student or employee or authorized visitor or campus vendor records a person or others engaged in sexual activity without their consent
- Students in a residence hall repeatedly draw sexually explicit graffiti on the whiteboard on another student’s door
- A student or employee exposes their sexual organs without consent and in an unwelcomed manner
- A vendor serving the campus committee heckles and cat-calls a specific student or students or employee or employees in a persistent and severe manner
- An authorized visitor gropes or touches a student or employee while on campus in an unwelcomed manner without consent

NOTICE OF NONDISCRIMINATION

Pursuant to Title IX, the University does not discriminate on the basis of sex in educational programs or activities that it operates. Such protection extends to both employees and students. Any questions or inquiries concerning the application of Title IX may be referred to the Title IX Coordinator, Senior Deputy Title IX Coordinator, or to any of the University’s Deputy Title IX Coordinators. The Title IX Officers and resources can be found on the webpage for the Office of Diversity, Inclusion and Equal Opportunity, located at www.usf.edu/diversity. When appropriate, the University will take steps to prevent the recurrence of harassment, including sexual violence, and to correct any discriminatory effects of harassment on the Complainant and others.

USF Title IX Coordinator

Dr. Jose Hernandez, Associate Vice President and Chief Diversity Officer
4202 E. Fowler Avenue, ALN 172,
Tampa, Florida 33620
(813) 974-4373; jehernan@usf.edu

Discrimination and harassment on the basis of race, color, marital status, sex, religion, national origin, disability, age, genetic information, gender identity and expression, sexual orientation, or veteran status are also prohibited (please see USF System Policy Number 0-007, Diversity & Equal Opportunity: Discrimination & Harassment).
WHAT ARE CONSENSUAL RELATIONSHIPS AND DOES USF HAVE A POLICY?

The USF System recognizes that consensual amorous or sexual relationships between two people of unequal position or power (e.g. between a supervisor and an employee, faculty and student, or staff member and student) may occur. Such relationships may become exploitative, or lead to charges of sexual harassment, or accusations of a conflict of interest. To address this, the USF System has adopted a policy governing consensual relationships, USF System Policy 1-022-Consensual Relationships, (http://regulationspolicies.usf.edu/policies-and-procedures/pdfs/policy-1-022.pdf). The most up-to-date version of that policy should be consulted should this issue arise.

Simply put, it is a violation of USF System policy for faculty, an academic administrator or employee to engage in an amorous, dating or sexual relationship with an employee or student whom he/she instructs, evaluates, supervises, or advises, or over whom he/she is in a position to exercise authority in any way. The USF System prohibits the exercise of supervisory power by one partner in a consensual relationship when that partner has direct authority over the individual circumstances of the other partner. If such a relationship exists prior to establishing a direct authority relationship, the two people involved are obligated under policy to disclose their relationship. This provides the University the ability to assess the work dynamic and structure and to then make changes as needed to limit or eliminate the supervisor/supervisee reporting chain and/or the power dynamic that may lead to conflict of interest.

WHO CAN BE INVOLVED?

Sexual harassment can involve anyone interacting with the USF campus community, whether on campus or off campus (to include sites of Education Abroad) at/during a USF sponsored event, including but not limited to:

- Faculty / Faculty
- Faculty / Student
- Faculty / Staff
- Teaching Assistant / Student
- Student / Student
- Staff / Staff
- Staff / Student
- Administrator / Faculty
- Administrator / Staff
- Administrator / Student
- Supervisor / Employee
- System Guest / Employee
- System Guest / Student

LGBTQ STATEMENT

USF strives to promote the safety and well-being of employees and students. The information in this guide is applicable to all students and employees regardless of their sexual orientation, gender identity, or gender expression.

FILING A COMPLAINT OR REPORT

A “complaint” is the method used to give notice to the University in a formal manner that an alleged violation of its Sexual Harassment policies has occurred. A “report” is the method used by an employee or non-victim to notify the University of a possible incident of sexual harassment. The next paragraphs detail each process.

Note: USF has deemed certain mandated reporter employees as Responsible Employees and/or Campus Security Authorities. These individuals are not confidential resources and must report all they know.

Filing A Complaint

If you believe that you are the victim of sexual harassment, USF strongly encourages you to file a complaint. Depending on the circumstances, filing a complaint alleging sexual harassment may be completed with one of two designated offices within the USF System:

- For complaints in which someone other than a student (Faculty, staff, vendor, visitor, internship site or clinical site) is the Respondent, the complaining employee or student may file a complaint with the Office of Diversity, Inclusion, and Equal Opportunity (DIEO)
- For complaints in which a student is the Respondent (accused), the complaining student or employee
may file the complaint with the Office of Student Rights and Responsibilities (OSRR).

Complaints are addressed promptly and relevant USF policy and processes are initiated by either DIEO or OSRR.

You may also file a complaint with the appropriate campus law enforcement agency or other local police department. This type of complaint will initiate a criminal investigation that is outside the purview of the University. USF will not end its action regarding a complaint because the local police department is also investigating. The University will complete its process in addition to what actions are taken by local police in the matter. The Complainant has a right to make a complaint or not make a complaint with either the University and/or the police, or neither. Depending on the details of the complaint, that is, who is the determined Respondent, the case will be referred to one of the offices above for action.

Any person may file an external complaint without fear of retaliation from the University with the following agencies:

- U.S. Equal Employment Opportunity Commission, Tampa, FL
  (813) 228-2310, TTY (813) 228-2003
- U.S. Department of Education, Office for Civil Rights, Atlanta, GA
  (404) 562-6358, TDY (404) 562-6454
- U.S. Department of Labor, Office of Federal Contract Compliance Programs, Orlando, FL
  (407) 648-6181, TTY (877) 889-5627
- Florida Commission on Human Relations, Tallahassee, FL
  1-800-342-8170, TDD ASCII 1-800-955-1339; TDD BAUDOT 1-800-955-6771

USF also provides a means for a complaint to be file anonymously. To file a complaint in this manner you may call EthicsPoint, the USF third party hosted hotline, at (866) 974-8411 or access EthicsPoint online at www.ethicspoint.com. The anonymous report will be forwarded to the appropriate USF office (DIEO or OSRR) and once received, the University will act in as much as is possible to address the complaint given the information that has been provided in the complaint.

If you have questions, please visit the websites of these agencies or contact the USF System Title IX Coordinator, Senior Deputy Coordinator, or the Deputy Coordinator nearest you (see Resources).

THIRD PARTY REPORTING

USF is committed to ensuring that its campus is safe. As a result, certain employees have been designed as “Responsible Employees” and are required to report sexual harassment. Any USF employee with supervisory authority on campus must refer reports of sexual harassment, sexual violence, or other gender-based harassment to DIEO or OSRR. For an up-to-date list of positions which USF considers “responsible employees” under Title IX, please refer to The Sexual Misconduct/

Additionally, USF supports the reporting of sexual harassment by any of its community members.

To make a report, the reporting person should download and complete the Title IX Incident Report Form found on the DIEO webpage at www.usf.edu/diversity under Title IX: Making a Report. The receipt of the Title IX Incident Report will trigger action by USF for any Title IX related incidents.

USF’s third-party hosted hotline may be used for anonymous reporting by any student or employee (NOTE: Campus Security Authorities and Responsible Employees must formally report through use of the Title IX Incident Report unless they are the Complainant and wish to not file a formal complaint). A report can be made via EthicsPoint by calling (866) 974-8411 or via access online at www.ethicspoint.com.
CONFIDENTIAL RESOURCES

The only exception to the obligation to report described above applies to those employees or service offices who have been deemed to be “confidential resources.” For an up-to-date list of those positions considered confidential resources, please see Section IV of Policy 0-004, Sexual Misconduct/Sexual Harassment (Filing Complaint or Reports), located at http://regulationspolicies.usf.edu/policies-and-procedures/pdfs/policy-0-004.pdf. Confidential Resources include the Center for Victim Advocacy and Violence Prevention, the Counseling Center, Student Health Services, the Ombuds Office, and the Employee Assistance Program. Should an employee or student seek assistance with one of the confidential resources, the information shared will remain confidential.

However, when there is an identified risk to the student, employee, or University community at large, a confidential resource may be obligated under law to act to ensure the safety of others and/or the University community.

THE REVIEW PROCESS

If you are a USF employee, student, vendor, or visitor and have been the victim of sexual harassment, sexual violence, or other gender-based harassment, it is important that you read the following information. Although not intended to be a comprehensive explanation of your options and rights, this information may be useful to you. USF suggests you also read the current Guide for Victims of Sexual Assault & Harassment, Domestic, Relationship & Dating Violence, and Stalking available in hardcopy at DIEO, OSRR, the Center for Victim Advocacy and Violence Prevention, as well as the Ombuds Office and online at www.sa.usf.edu/advocacy/docs/VAVP_Victim_Guide_FINAL_web.pdf.

Sexual harassment, sexual violence, and other gender-based harassment occurring in the college setting implicate a federal law called “Title IX” found within the Higher Education Amendments of 1972. Title IX prohibits discrimination on the basis of sex (gender) in education programs or activities and triggers certain responsibilities on the part of USF. The USF System has a team of Title IX officials who can help explain USF’s responsibilities in these cases (see the list of officials and their contact information in Resources). USF has a structure of officials, with the highest authority called the “Title IX Coordinator.” A Senior Deputy and several Deputy Coordinators work throughout the University to provide guidance and access to consultation and links to services.

DIEO and OSRR have authority to address complaints of sexual harassment, sexual misconduct, and sexual violence in a non-criminal context. This USF System process is completely separate from the police and courts process and is administrative in nature. That is, the USF process addresses alleged violations of USF policy. Within the USF System, the identity of the Respondent/alleged perpetrator determines which of the two offices handles a complaint.

When the Respondent is an employee, complaints are handled by DIEO. When the Respondent is both an employee and a student, the two offices may work together to resolve the complaint.

When the Respondent is a student at the time of the incident, OSRR provides a student conduct process used for investigating cases, whether they occur on or off campus.

When the Respondent is neither an employee nor student, USF provides guidance to you and can still assist you with counseling and other support services.

If you are uncertain about which office to contact, you may call either office and they will ensure your report is addressed in a timely manner and reviewed by the appropriate office. In fact, an employee of the assigned office will contact you to notify you which office has your complaint and to provide guidance in the USF process.
When a complaint is filed with a USF System designated office, the office will review the complaint and provide an appropriate response, which may include consultation, mediation, and/or referral for disciplinary action (up to and including termination from employment and/or expulsion from the USF System).

USF will identify appropriate “interim measures” and ensure such measures are in place to protect a Complainant and/or Respondent while a case is pending. Depending on the circumstances, examples of these steps include class changes, on-campus housing moves, ordering a Complainant and Respondent to not have contact with each other, excluding a Respondent from parts of campus, or providing an escort to accompany a Complainant on campus. Any adjustments made will be designed to minimize the burden on the Complainant’s educational program while also ensuring a fair and reasonable response that considers the rights of the Respondent. Some of these actions may also be deemed to be permanent “remedies” in those cases resulting in a finding of a policy violation. The goal of interim measures is to stop the harassment, prevent its recurrence, and to identify remedies to limit the effects of such harassment in the future.

DIEO or OSRR will review the allegations and determine an appropriate course of action based on USF policy and defined processes. Some cases can be handled informally and outside of the formal investigative process. Others may result in an investigation. At no time will a case involving sexual violence be sent to mediation. Such cases are referred for investigation.

USF Investigators are individuals who have received specialized training in Title IX types of investigations and who are supervised by the Title IX Office. USF investigations are conducted in a thorough and neutral manner with continued oversight to ensure a timely resolution.

The Equal Opportunity process used by DIEO is outlined on the DIEO website and may be found online at www.usf.edu/diversity/documents/dieo_complaint_process.pdf - 2014-12-18.

The Student Conduct process used by OSRR is outlined in the Student Conduct of Code, which can be found online at http://regulationspolicies.usf.edu/regulations/pdfs/regulation-usf6.0021.pdf.

Each process provides for a fair and timely review of the complaint that results in a finding and provides both the Complainant and the Respondent a right of appeal. In most cases, information including your name may be shared with the Respondent, witnesses, and with University officials who have a legitimate need to know.

When made aware of sexual violence, USF may have an obligation to proceed with an investigation, regardless of a Complainant’s wishes, in order to ensure campus safety. Complainants are not required to participate if they choose not to; however, this may limit the University’s ability to respond to the incident. If you request that your name or other identifying information not be used in an investigation, USF will consider your request in light of the context of its responsibility to provide a safe and nondiscriminatory environment. Beyond that, USF will take steps to protect your identity and the identity of all individuals involved.

During the process, the Complainant and Respondent may be accompanied by an advisor at any complaint related meeting. The advisor might be an attorney (not acting in the capacity of counsel) or any support person (including a parent or an advocate from the USF Center for Victim Advocacy and Violence Prevention). In USF’s process, the Complainant and Respondent are not permitted to directly question each other and are not required to be present together at any point. Both a Complainant and a Respondent have the right to identify witnesses and provide other information relevant to the investigation. USF will decide the case based on a “preponderance of the information standard” (whether or not it is more likely than not that the conduct occurred). The preponderance of the evidence standard is that which is recommended by the Office for Civil Rights (OCR), the guiding authority for Title IX. The USF process is an administrative process and not a criminal procedure; therefore, the standard of evidence is different.
In most cases, USF will not wait until a criminal case is resolved before proceeding with its administrative case. In addition, if a University official has a reasonable belief that a crime has been committed, she or he may be obligated to report it to law enforcement, if police have not already been notified (such as in cases involving a minor). In cases where a police investigation has been conducted or is being conducted for sexual assaults, law enforcement may be able to provide information to USF, with the victim’s consent. USF’s fact-finding investigation may be delayed for a short period of time upon a request from law enforcement so as not to interfere with a criminal investigation; however, USF will resume its own investigation as soon as possible. Be aware that a Complainant has the right to report or not to report the incident to the police.

The University will use best efforts to resolve complaints involving sexual violence or sexual harassment following the 60 day guideline provided for by OCR, but depending on the complexity of the case and the availability of the Complainant, the Respondent, and all witnesses, an investigation may be extended. The University will keep the Complainant and the Respondent advised as to the status of the case on an ongoing and reasonable basis.

The Complainant and Respondent will be simultaneously informed of the outcome of the case in writing.

Because the University’s primary concern is student safety, complaints involving minor alcohol and drug violations by a Complainant will be handled informally whenever possible. USF notes that the use of alcohol or other drugs never makes an individual at fault for sexual violence.

**RETRIBUTION**

USF has a policy which prohibits retaliation against any employee or student who reports an incident of alleged sexual harassment or sexual violence, or any employee or student who testifies, assists or participates in a proceeding, investigation or hearing relating to these allegations (see Policy 0-020, Retaliation, Retribution, or Reprisal Prohibited, http://regulationspolicies.usf.edu/policies-and-procedures/pdfs/policy-0-020.pdf. The Complainant and Respondent are informed of this provision. Any retaliation should be reported immediately to the Senior Deputy Title IX Coordinator.

**EQUAL SUPPORT FOR INVOLVED PARTIES**

If both individuals involved are USF employees and/or students, USF has a duty to work with/support both individuals through the process. With a few exceptions, USF offers support, guidance, and assistance. Some services, such as those offered by the Center for Victim Advocacy and Violence Prevention are specialized while other services clearly can be utilized by either the Complainant and Respondent. Often services are also offered to others who may have been impacted by the incident or circumstances.

If an incident reaches the level of interfering with the orderly functions of the University or affecting the safety and wellbeing of the community or its individuals, USF may deem it necessary to temporarily restrict either the Respondent and/or the Complainant from campus until the case can be resolved. This type of measure will be taken only as needed and as warranted.
GLOSSARY

Complainant (Victim)
A person who is subject to alleged Protected Category discrimination, harassment or related retaliation.

Confidentiality
The act of maintaining an individual's information in a private or discrete manner as related to a complaint and or an investigation.

Harassment
Verbal or physical conduct based on a Protected Category that unreasonably interferes with an individual's work or academic performance or creates an intimidating or hostile work or educational environment (see Hostile Environment as defined below).

Hostile Environment
Unwelcome conduct by an individual(s) against another individual based upon her/his Protected Category that is sufficiently severe or pervasive that it alters the conditions of education or employment and creates an environment that a reasonable person would find intimidating, hostile or offensive.

Investigator
Individual(s) who are employees (and in some circumstances, equally trained contracted professionals) and who have received specialized training to complete comprehensive investigations of violations of policies related to sexual harassment, sexual misconduct, and sexual violence as defined by Title IX and the Violence Against Women Act (VAWA) Reaffirmed 2013.

Office of Diversity, Inclusion, and Equal Opportunity (DIEO)
The office that investigates allegations of discrimination, harassment, and related retaliation based upon an individual's Protected Category when the Respondent is an employee, vendor, visitor, or partner.

Office of Student Rights and Responsibilities (OSRR)
The office that investigates allegations of discrimination, harassment, and related retaliation when the Respondent is a student. This office is also the disciplinary authority for student Respondents.

Preponderance of the Evidence Standard
The standard used in administrative actions involving complaints under Title IX. This evidentiary standard means that the alleged action is "more likely than not" to have occurred and thus is a violation of policy. In lay terms, it is the difference of one feather on the scale tipping the scale.

Policy
Any and all identified and structured rules and regulations administered by the University and/or developed by the University for the purpose of adherence to federal, state, and local statutes, codes, and regulations.

Protected Category
The USF System strives to provide a work and study environment for faculty, staff, students, and veterans that is free from discrimination and harassment on the basis of race, color, marital status, sex, religion, national origin, disability, age, or genetic information, as provided by law. The USF System protects its faculty, staff, students, and veterans from discrimination and harassment based on sexual orientation, as well as gender identity and expression.

Support Services
Any and all identified, structured, and relevant services provided by the University for the purpose of assisting, supporting, or otherwise helping a student and/or employee.

Respondent (Accused)
A person who is accused of Protected Category discrimination, harassment, or related retaliation.

Responsible Employee
An employee who has been deemed to be a non-confidential, mandated reporter of any reported or observed act that falls under Title IX. For the most up-to-date list of positions considered "responsible employees" please refer to Policy 0-004, located at http://regulationspolicies.usf.edu/policies-and-procedures/pdfs/policy-0-004.pdf.

Retaliation
Retaliation is an individual(s) taking an adverse action against someone because that person has filed a complaint or participated in a protected class investigation. Retaliation is prohibited by policy 0-004 Sexual Misconduct/Sexual Harassment.
**Sexual Harassment**
Unwelcome sexual advances, requests for sexual favors, and other verbal or physical harassment of a sexual nature.

**Supervisor**
A supervisor is anyone who has the authority to hire, promote, discipline, evaluate, grade or direct faculty, staff or students. This includes anyone who manages or supervises others, including, but not limited to faculty, teaching assistants, resident advisors, coaches and anyone who leads, administers, advises or directs University programs.

**Title IX Official**
Individual(s) identified within the University system who are authorized to address incoming complaints from students, employees, vendors, or visitors which fall within the University’s policies for sexual harassment, sexual misconduct, and sexual violence as defined by Title IX and the Violence Against Women Act (VAWA) Reaffirmed 2013.

**Unlawful Discrimination**
Occurs when an individual suffers an adverse consequence, such as failure to be hired or promoted, denial of admission to an academic program, or other consequence on the basis of her/his Protected Category.

**CONTACTS & RESOURCES**
USF has a team of professionals trained in handling cases of sexual harassment. If you find yourself involved in a potential case (or a witness to one), please contact any of these officers to discuss your questions and for guidance on filing a complaint or making a report.
